Law and Literature by Ian Ward - Cambridge Core

The law and literature movement focuses on the interdisciplinary connection between law and literature. This field has roots in two major developments in the intellectual history of law—first, the growing doubt about whether law in isolation is a source of value and meaning, or whether it must be plugged into a large cultural or philosophical or social-science context to give it value and meaning; and, second, the growing focus on the mutability of meaning in all texts, whether literary or ...
