The Boy Recession Flynn Meaney
 Flynn Meaney's second novel, The Boy

Recession, was a good YA chick-lit novel. Chick-lit isn't my usual genre, but I really liked this book. The plot was interesting, and flowed smoothly. There were a few things that bothered me about the book. I dislike when authors use the f-word more than once in a young adult novel.

**The Boy Recession by Flynn Meaney
- Goodreads**

As the two grow closer, the problems that come with a boy recession begin to interfere with their friendship. The Boy Recession is perfect for young adult and teenage readers. Meaney's writing is humorous and creative. All the characters stand out and are memorable. I can't wait to read Meaney's next book and I give this novel five out of five stars.
