The Witch And Other Tales

The Witch and Other Tales Re-Told is a collection of 8 modern fairy tales. I really enjoyed these stories. These tales capture the monsters and magic of the 21st century. Each story is different but all were interesting. Some I recognized which fairy tales they were based on and others not quite as much.

The Witch And Other Tales Re-Told by Jean Thompson

Capturing the magic and horror in everyday life, The Witch and Other Tales Re-told revisits beloved fables that represent our deepest, most primeval fears and satisfy our longings for good to triumph over evil (preferably in the most gruesome way possible).
