The Disposal Of The

Dead

Disposal of human corpses, also called final disposition, is the practice and process of dealing with the remains of a deceased human being. Disposal methods may need to account for the fact that soft tissue will decompose relatively rapidly, while the skeleton will remain intact for thousands of years under certain conditions.. Several methods for disposal are practiced.

Disposal of human corpses - Wikipedia

The duty of disposal generates a legal right to possession of the corpse for this purpose, which courts will protect and uphold if necessary. 46 And in family disputes concerning the fate of the dead, the legal

framework outlined above provides an essential reference point; when warring factions cannot agree, the highest ranked individual usually has the strongest entitlement. 47 In most cases the executor or presumptive administrator will have the final say, though the origins of this ...
