A Guide to Hotel Design Pt 11: Bedroom Standards. Historically, standards were banners raised in battle as the rallying point for your side, marking your group out from the other competing parties in the confusion of war. In the commercial world of hotels, standards do the same thing, providing a known point for guests in a confusing whirl of labels such as boutique, country house, premium, deluxe, economy, or worse - star ratings.

ADA Design Requirements for Hotels. The Americans with Disabilities Act of 1990 (ADA) established a series of accessible design requirements for the construction of hotels and other lodging facilities that apply to the design of ADA hotel rooms. Most of these regulations remain today, while a few were updated in 2010 to promote greater accessibility.

Understanding ADA Design Requirements for Hotels ...

The most important phase of the design is the concept integrity of the spa area and the hotel in general. Spa areas accommodate multiple and distinct functions. Such factors as the business type of the hotel and whether the hotel is operated seasonally or for 12 months also affect the design.
