The Bible tells us that the law of God (which includes the Ten Commandments) has three proper uses: a curb, a mirror, and a guide. 1. A Curb – God's law keeps people on the path of life. Just like curbs on the road keep you from driving off the path, the law of God keeps us headed in the right direction.

The Ten Commandments: Ten Truths That Give Life

The Ten Commandments can be divided into two parts: The first four Commandments deal with our relationship with God, and the last six Commandments deal with our relationship with one another. However, if we only view them in that fashion—as simply a list of don'ts—are we not seriously limiting what God has blessed us with? God has provided us His law so that we can live life abundantly (Psalms 19:8)
