Guidelines for Writing a First Draft

1. How To Write A Literature Review. Writing a literature review is perhaps the best piece of literature that a student can work with. This is because writing a literature review only means that you are already near the end of your final requirement in your student life, which is either a thesis or even a dissertation.

How To Write A Literature Review, with Example

The final stage involves writing. When writing, keep in mind that literature reviews are generally characterized by a summary style in which prior research is described sufficiently to explain critical findings but does not include a high level of detail (if readers want to learn about all the specific details of a study, then they can look up the references that you cite and read the original ...
