"Family dysfunction at its best. This novel is addicting and entertaining and I couldn't put it down!" - Jennifer Close, New York Times bestselling author of *Girls in White Dresses* and *The Hopefuls* A Publishers Weekly BEST SUMMER BOOKS, 2017 Relationships are awful. They'll kill you, right up to the point where they start saving your life. Paul and Alice's half-sister Eloise is getting married! In London! There will be fancy hotels, dinners at "it" restaurants and a reception at a country estate complete with tea lights and embroidered cloth napkins. They couldn't hate it more. The People We Hate at the Wedding is the story of a less than perfect family. Donna, the clan's mother, is now a widow living in the Chicago suburbs with a penchant for the occasional joint and more than one glass of wine with her best friend while watching House Hunters International. Alice is in her thirties, single, smart, beautiful, stuck in a dead-end job where she is mired in a rather predictable, though enjoyable, affair with her married boss. Her brother Paul lives in Philadelphia with his older, handsomer, tenured track professor boyfriend who's recently been saying things like "monogamy is an oppressive heteronormative construct," while eyeing undergrads. And then there's Eloise. Perfect, gorgeous, cultured Eloise. The product of Donna's first marriage to a dashing Frenchman, Eloise has spent her school years at the best private boarding schools, her winter holidays in St. John and a post-college life cushioned by a fat, endless trust fund. To top it off, she's infuriatingly kind and decent. As this estranged clan gathers together, and Eloise's walk down the aisle approaches, Grant Ginder brings to vivid, hilarious life the power of family, and the complicated ways we hate the ones we love the most in the most biting funny, slyly witty and surprisingly tender novel you'll read this year.

Four Funerals and a Wedding

Resilience in a Time of Grief *She Writes Press*

When journalist Jill Smolowe buried her husband, sister, mother, and mother-in-law in the space of seventeen months, she assumed that it was only a matter of time before she fell apart. That's what all the movies and memoirs say will happen, after all. But when she never "lost it"—and when friends began to insist that her strength was amazing and unusual—she began to think there might be something freakish about her way of grieving, so she did what any self-respecting journalist would: she researched it. In *Four Funerals and a Wedding*, Smolowe jostles preconceptions about caregiving, defies clichés about losing loved ones, and reveals a stunning bottom line: far from being uncommon, resilience like hers is the norm among the recently bereaved. With humor and quiet wisdom, and with a lens firmly trained on what helped her tolerate so much sorrow and rebound from so much loss in her own life, she offers answers to questions we all confront in the face of loss, and ultimately reminds us all that grief is not only about endings—it's about new beginnings.

Four Aunties and a Wedding *Penguin*

The aunties are back, fiercer than ever and ready to handle any catastrophe—even the mafia—in this delightful and hilarious sequel by Jesse Q. Sutanto, author of *Dial A for Aunties*. Meddy Chan has been to countless weddings, but she never imagined how her own would turn out. Now the day has arrived, and she can't wait to marry her college sweetheart, Nathan. As a compromise, they find the perfect wedding vendors: a Chinese-Indonesian family-run company just like theirs. Meddy is hesitant at first, but she hits it off right away with the wedding photographer, Staphanie, who reminds Meddy of herself, down to the unfortunately misspelled name. Meddy realizes that is where their similarities end, however, when she overhears Staphanie talking about taking out a target. Horrified, Meddy can't believe Staphanie and her family aren't just like her own, they are The Family—actual mafia, and they're using Meddy's wedding as a chance to conduct shady business. Her aunties and mother won't let Meddy's wedding ceremony become a murder scene—over their dead bodies—and will do whatever it takes to save her special day, even if it means taking on the mafia.

Modern Loss

Candid Conversation About Grief. Beginners Welcome. *HarperCollins*

Inspired by the website that the New York Times hailed as "redefining mourning," this book is a fresh and irreverent examination into navigating grief and resilience in the age of social media, offering comfort and community for coping with the mess of loss through candid original essays from a variety of voices, accompanied by gorgeous two-color illustrations and wry infographics. At a time when we mourn public figures and national tragedies with hashtags, where intimate posts about loss go viral and we receive automated birthday reminders for dead friends, it's clear we are navigating new terrain without a road map. Let's face it: most of us have always had a difficult time talking

about death and sharing our grief. We're awkward and uncertain; we avoid, ignore, or even deny feelings of sadness; we offer platitudes; we send sympathy bouquets whittled out of fruit. Enter Rebecca Soffer and Gabrielle Birkner, who can help us do better. Each having lost parents as young adults, they co-founded Modern Loss, responding to a need to change the dialogue around the messy experience of grief. Now, in this wise and often funny book, they offer the insights of the Modern Loss community to help us cry, laugh, grieve, identify, and—above all—empathize. Soffer and Birkner, along with forty guest contributors including Lucy Kalanithi, singer Amanda Palmer, and CNN's Brian Stelter, reveal their own stories on a wide range of topics including triggers, sex, secrets, and inheritance. Accompanied by beautiful hand-drawn illustrations and witty "how to" cartoons, each contribution provides a unique perspective on loss as well as a remarkable life-affirming message. Brutally honest and inspiring, Modern Loss invites us to talk intimately and humorously about grief, helping us confront the humanity (and mortality) we all share. Beginners welcome.

Tears of laughter

Comedy-drama in 1990s British cinema *Manchester University Press*

Tears of laughter' examines the interactions of comedy and drama in three vital thematic strands of British cinema during the 1990s: comedies exploring issues of class, culture and community in British society, 'ethnic' comedy-dramas engaging with complex issues of identity and allegiance in modern Britain, and romantic comedies featuring characters searching (somewhat desperately or frantically) for a suitable and desirable long-term or short-term partner. Films to be discussed in detail include 'Brassed Off' (1996), 'The Full Monty' (1997), 'East is East' (1999), 'Four Weddings and a Funeral' (1994), 'Notting Hill' (1999) and a post-1990s romantic comedy, 'Love Actually' (2003). The study discusses these specific films and a range of other 1990s British comedy-drama films within the context of community-orientated Ealing comedy classics, contentious situation comedies treating race relations as both a laughing matter and a site of conflict ('Till Death Us Do Part' and 'Love Thy Neighbour'), and romantic comedies set and produced in Britain. It is aimed at film studies academics, students and film enthusiasts.

What W. H. Auden Can Do for You *Princeton University Press*

When facing a moral dilemma, Isabel Dalhousie--Edinburgh philosopher, amateur detective, and title character of a series of novels by best-selling author Alexander McCall Smith--often refers to the great twentieth-century poet W. H. Auden. This is no accident: McCall Smith has long been fascinated by Auden. Indeed, the novelist, best known for his No. 1 Ladies Detective Agency series, calls the poet not only the greatest literary discovery of his life but also the best of guides on how to live. In this book, McCall Smith has written a charming personal account about what Auden has done for him--and what he just might do for you. Part self-portrait, part literary appreciation, the book tells how McCall Smith first came across the poet's work in the 1970s, while teaching law in Belfast, a violently divided city where Auden's "September 1, 1939," a poem about the outbreak of World War II, strongly resonated. McCall Smith goes on to reveal how his life has related to and been inspired by other Auden poems ever since. For example, he describes how he has found an invaluable reflection on life's transience in "As I Walked Out One Evening," while "The More Loving One" has provided an instructive meditation on unrequited love. McCall Smith shows how Auden can speak to us throughout life, suggesting how, despite difficulties and change, we can celebrate understanding, acceptance, and love for others. An enchanting story about how art can help us live, this book will appeal to McCall Smith's fans and anyone curious about Auden.
