With her signature humor, heartfelt honesty, and intimate true-life stories, #1 New York Times bestselling author Rachel Hollis shows readers how to seize difficult moments for the learning experiences they are and the value and growth they provide. Rachel Hollis sees you. When it comes to the “hard seasons” of life—the death of a loved one, divorce, loss of a job—transformation seems impossible when grief and uncertainty dominate your days. Especially when, as *Didn't See that Coming* reveals, no one asks to have their future completely rearranged for them. But, as Rachel writes, it is up to you how you come through your pain—you can come through changed for the better, having learned and grown, or stuck in place where your identity becomes rooted in what hurt you. To Rachel, a life well-lived is one of purpose, focused only on the essentials. This is a small book about big feelings: inspirational, aspirational, and an anchor that shows that darkness can co-exist with the beautiful.

The Checklist Manifesto Metropolitan

Books

The New York Times bestselling author of *Being Mortal* and *Complications* reveals the surprising power of the ordinary checklist. We live in a world of great and increasing complexity, where even the most expert professionals struggle to master the tasks they face. Longer training, ever more advanced technologies—neither seems to prevent grievous errors. But in a hopeful turn, acclaimed surgeon and writer Atul Gawande finds a remedy in the humblest and simplest of techniques: the checklist. First introduced decades ago by the U.S. Air Force, checklists have enabled pilots to fly aircraft of mind-boggling sophistication. Now innovative checklists are being adopted in hospitals around the world, helping doctors and nurses respond to everything from flu epidemics to avalanches. Even in the immensely complex world of surgery, a simple ninety-second variant has cut the rate of fatalities by more than a third. In riveting stories, Gawande takes us from Austria, where an emergency checklist saved a drowning victim who had spent half an hour underwater, to Michigan, where a cleanliness checklist in intensive care units virtually eliminated a type of deadly hospital infection. He explains how checklists actually work to prompt striking and immediate improvements. And he follows the checklist revolution into fields well beyond medicine, from disaster response to investment banking, skyscraper construction, and businesses of all kinds. An intellectual adventure in which lives are lost and saved and one simple idea makes a tremendous difference, *The Checklist Manifesto* is essential reading for anyone working to get things right.

Love That Lasts *Thomas Nelson*

In *Love That Lasts*, New York Times bestselling author of *Jesus > Religion* Jefferson Bethke and his wife, Alyssa, expose the distorted views of love that permeate our culture and damage our hearts, minds, and souls. Drawing from Jeff's "prodigal son" personal history and

from Alyssa's "True Love Waits" experience, the Bethkes point to a third and better way. Blending personal storytelling with biblical teaching, they offer readers an inspiring, realistic vision of love, dating, marriage, and sex. Young people today enter adulthood with expectations of blissful dating followed by a romantic, fulfilling marriage only to discover they've been duped. They learned about love and sexuality from social media, their friends, Disney fairy tales, pornography, or even their own rocky past, and they have no idea what healthy, lifelong love is supposed to be like. The results are often disastrous, with this generation becoming one of the most relationally sick, sexually addicted, and divorce ridden in history. Looking to God's design while drawing lessons from their own successes and failures, the Bethkes explode the fictions and falsehoods of our current moment. One by one, they peel back lies such as, the belief that every person has only one soul mate, that marriage will complete you, and that pornography and hook-ups are harmless.

On Girlhood: 15 Stories from the Well-Read Black Girl Library *Liveright Publishing*

Proudly introducing the Well-Read Black Girl Library Series, *On Girlhood* is a lovingly curated anthology celebrating short fiction from such luminaries as Rita Dove, Alice Walker, Toni Morrison, and more. “When you look over your own library, who do you see?” Since founding the beloved Well-Read Black Girl book club in 2015, Glory Edim has emerged as a literary tastemaker for a new generation. Continuing her life’s work to brighten and enrich American reading lives through the work of legendary Black authors, she now launches her Well-Read Black Girl Library Series with *On Girlhood*. This meticulously selected anthology features a wide range of unique voices, finally illuminating a distinctly robust sector of contemporary literature: groundbreaking short stories that explore the thin yet imperative line between Black girlhood and womanhood. Divided into four themes—Innocence, Belonging, Love, and Self-Discovery—the unforgettable young protagonists within contend with the trials of coming of age that shape who they are and what they will become. With this tradition in mind, *Innocence* opens with Jamaica Kincaid’s searing “Girl,” in which a mother offers fierce instructions to her impressionable daughter. This deceptively simple yet profound monologue is followed by Toni Morrison’s first and only published short story, the now-canonical “Recitatif,” about two neglected girls who come

together in youth only to find themselves on opposite picket lines in adulthood. In *Belonging*, Toni Cade Bambara’s “The Lesson” follows rambunctious students on a field trip where they are exposed to a new world of luxury. In *Love*, Dana Johnson’s “Melvin in the Sixth Grade” captures the yearning of a lovesick teen smitten with the only boy who looks her way. And in *Self-Discovery*, Edwidge Danticat’s “Seeing Things Simply” charts the creative awakening of Princesse, a young woman with a hunger to be fully seen. These inspiring tales of world builders and rule breakers conclude with Zora Neale Hurston’s “How It Feels to Be Colored Me,” a personal essay brimming with wit and strength: “When covered by the waters, I am; and the ebb but reveals me again.” At times heartbreaking and at times hilarious, these stories boldly push past flat stereotypes and powerfully convey the beauty of Black girlhood. In bringing together an array of influential authors—past and present—whose work remains timeless, Glory Edim has created an indispensable compendium for every home library and a soul-stirring guide to coming of age. Featuring stories by Jamaica Kincaid, Toni Morrison, Dorothy West, Rita Dove, Camille Acker, Toni Cade Bambara, Amina Gautier, Alexia Arthurs, Dana Johnson, Alice Walker, Gwendolyn Brooks, Edwidge Danticat, Shay Youngblood, Paule Marshall, and Zora Neale Hurston.

She lives with them, and the accompanying self-loathing. When she awakes in a Dubai hotel room, she tries to piece the previous night back together, counting the minutes until she has to catch her crew shuttle to the airport. She quietly slides out of bed,

careful not to aggravate her already pounding head, and looks at the man she spent the night with. She sees his dark hair. His utter stillness. She lies as she joins the other flight attendants and pilots in the van. She lies on the way to Paris as she works the first class cabin. She lies to the FBI agents in New York who meet her at the gate. Soon it's too late to come clean or face the truth about what really happened back in Dubai. Could she have killed him? The Art of Work *HarperCollins Leadership*

On his thirtieth birthday, Jeff Goins quit his job and began his pursuit of becoming a full-time writer. While certainly that was a milestone day, it was still less significant than the ones that lead to that memorable moment. The journey he took leading up to that daring decision involved twists, turns, and surprises he never expected. In the end, he found his life's purpose, his calling; and in *The Art of Work*, he wants to share his journey with you and help you, too, discover your life's work, along with the invaluable treasure that comes with doing so. As writer, keynote speaker, and award-winning blogger Jeff Goins explains, our search for discovering the task we were born to do begins with passion but does not end there. Only when our interests connect with the needs of the world do we begin living for a larger purpose. Those who experience this intersection experience something exceptional and enviable. Though it is rare, as Jeff discovered along the journey he shares in this one-of-a-kind book, such a life is attainable by anyone brave enough to try. Through personal experience, compelling case studies, and current research on the mysteries of

motivation and talent, Jeff shows readers how to find the vocation they were meant for and what to expect during the long, arduous journey to discovering and pursuing it.

When Joe tries to lay down the rules for the drone operator, he's asked by the FBI and the DOJ to stand down, which only makes him more suspicious. Meanwhile, bodies are piling up in and around Joe's district in shocking numbers. He begins to fear that a pack of four vicious killers working on behalf of the Sinaloa cartel known as the Wolf Pack has arrived. Their target seems to be the mystery man and everyone--including Joe, Nate, and others--who is associated with him. For the Love *International Edition*

The majority of our joys, struggles, thrills, and heartbreaks relate to people, beginning first with ourselves and then the people we came from, married, birthed, live by, live for, go to church

with, don't like, don't understand, fear, struggle with, compare ourselves to, and judge. People are the best and worst thing about human life. Jen Hatmaker knows this all too well, and so she reveals how to practice kindness, grace, truthfulness, vision, and love to ourselves and those around us. By doing

this, 'For the Love' leads our generation to reimagine Jesus' grace as a way of life, and it does it in a funny yet profound manner that Christian readers will love. Along the way, Hatmaker shows readers how to reclaim their prophetic voices and become Good News again to a hurting, polarized world.
