Verbal And Written Communications Goodheart Willcox

Written communication is more reliable than oral communication. A written and signed document carries more weight and validity than spoken words. Written communication is more precise than other means of communication. Written communication, because of its form can be stored for analysis to be made in order for one to get a better understanding of the message it contains.

Written Communication: Advantages and Disadvantages of ...

Verbal vs. Non-Verbal Communication
We communicate with much more than words: when we interact with someone, our body has a language of its own. The way we sit, the gestures we make, the way we talk, how much eye contact we

make – all

Verbal vs. Non-Verbal Communication

Oral Communication is faster than Written Communication. The words once uttered cannot be reversed in the case of Oral Communication. On the other hand, editing of the original message is possible in Written Communication. Misinterpretation of the message is possible in Oral Communication but not in Written Communication.
