A Journey to the High Places

Hannah Hurnard’s Spirituality and the Song of Songs *Wipf and Stock Publishers*

Since his existence the human being has explored various ways in his quest for God. Part of this search is related to humanity's yearning for true harmony and joy in the world. Christian spirituality, as a unique spirituality one encounters today, imparts various ways one can respond to this longing. One of these ways is through allegorical narratives. Specifically, this study analyzes the spirituality of Hannah Hurnard (1905-1990) by intertextually perusing her most famous allegorical narrative "Hinds' Feet on High Places." A Journey to the High Places is divided into four chapters. In chapter 1 the allegorical narrative is subjectively considered in all its aspects and the central themes are expressed without any reference to other secondary connections. Chapter 2 analyzes the allegorical narrative by relating this narrative with other material that Hannah Hurnard published. These other narratives provide the tools which Hannah employed in the composition of this allegorical narrative. Thus, chapter 2 presents an intertextual analysis between her other publications and "Hinds' Feet on High Places." Likewise, chapter 3 presents another intertextual analysis between the many biblical abstracts and their relation to the narrative, in the hope of showing her biblical interpretations. Several spiritual themes that emerged from the preceding chapters are discussed in chapter 4,

presenting a consistent spirituality. In presenting the themes one notes that the strong points and weaknesses of Hannah's spirituality are related to other Christian spiritual traditions. In order to conduct a comprehensive study the introductory section of this study deals with the significance of allegory and spirituality.

No Greater Love

Experiencing the Heart of Jesus through the Gospel of John *Baker Books*

God came in the flesh to show us what love looks like. To truly see the dynamics of this love, we must take a close look at Jesus's relationships while he was here on earth. How he loved then is how

he loves now, and how he loves now is how we as believers are to love. *No Greater Love* is a study of Jesus's interactions with people throughout the book of John, including Nicodemus, the woman at the well, and even the Pharisees. What did this love look like in action, especially with those who are hard to love? As it turns out, he didn't love people because they deserved it; he loved them because he is love. With the great tragedies in our culture today there is a need for this "Jesus love" that's available to all believers. May this book help you better know his love for you--which, in the end, will lead you to becoming more like him.
