How modern democracy has given rise to lockdown ...

New Democracy, or the New Democratic Revolution, is a concept based on Mao Zedong's Bloc of Four Social Classes theory in post-revolutionary China which argued originally that democracy in China would take a decisively distinct path to that in any other country. He also said every Third World country would have its own unique path to democracy, given that particular country's own social and material conditions. Mao labeled representative democracy in the Western nations as Old Democracy, charact

New Democracy - Wikipedia

Democracy is under threat globally, a new report from the Economist Intelligence Unit warns. The annual Democracy Index looks at governments around the world and tracks elections, politics, culture and civil rights. This year's report, published on Thursday, found that there are only 19 full democracies on the planet. The report concluded that nearly a third live under
