Spanish *Collins*

Pick up the essentials of the Spanish language with this easy-to-use program.

Émigrés

French Words That Turned English *Princeton University Press*

"This is a study of French words and phrases which, untranslated, have entered the English lexicon. Historians calculate that English, since 1500, has borrowed more words from French than from any other modern foreign language. While it has naturalized many of these words, some have visibly retained their foreign

roots, leading varied lives in the English-speaking world while eluding translation and resisting integration. Carrying traces of their French roots in the challenges of spelling and pronunciation they pose to native users of English, often set in italic type to distinguish them from the English surrounding them, they are, so to speak, âemigrâes: French foreigners in our midst. It was primarily in the 1660s that a cluster of phrases and terms with French roots - âa- la-mode, ennui, naëivetâe, caprice -came to prominence in English as Restoration England was Frenchified by Charles II and his court. More often than not these foreign words have been enthusiastically adopted by English users, as if they lent the language a certain je-ne- sais-quoi that would otherwise elude English expression and leave it tantalisingly incomplete, though occasionally the adoption of these words has met with fear and hostility, in a reflection of the ambivalent reception that has so often awaited the foreigners who count these words as part of their native language. Richard Scholar asks several interesting questions: What uses do French foreign words serve in English? To what extent have these uses changed the meanings of the words in French language and culture? And what does the study of these words reveal of the broader relations between neighbouring languages, cultures, and societies? In addressing these questions the author explores what meanings and associations these words have brought with them from the French tradition, and he places their emergence in English within the wider context of early modern social and cultural attitudes towards foreign cultures, their mediators, and the fashion for all things French"--

Hearts at Dawn

History and magic intertwine in a fairytale retelling that will capture the hearts of Beauty and the Beast fans. Hope helps you endure. Love will break the spell. Paris, 1870. As the Franco-Prussian War enters its desperate final months, the capitol transforms from a splendid metropolis into a city under siege. Lavish meals change to rations, pigeons deliver letters, and two destinies will collide, challenged by a seemingly unbreakable curse. Every night, New York aristocrat Orin Rush transforms into a monster. After learning that a human heart is the only way to break the curse, he keeps himself carefully distant from anyone he might hurt. Can he lift the enchantment without taking a life? His search for answers leads him to Paris. Every day, free-spirited Claire Turin photographs the people and animals of Paris. Fascinated by the city she loves, her greatest dream is a secret she keeps in her apartment. Her greatest fear is the emptiness of night, when she thinks of the family she's lost. She's never loved anyone else. Maybe she never will. Will Paris and its people survive the hardship of the Siege? Will Orin break the curse? And will two hearts who've never known love awaken in the City of Light?

Fluent in 3 Months

How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World *Harper Collins*

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of

language learners as children.

Flirting with French

How a Language Charmed Me, Seduced Me, and Nearly Broke My Heart *Algonquin Books*

"A delightful and courageous tale and a romping good read. Voila!" —Mark Greenside, author of *I'll Never Be French* (No Matter What I Do) William Alexander is more than a Francophile. He wants to be French. There's one small obstacle though: he doesn't speak la langue française. In *Flirting with French*, Alexander sets out to conquer the language he loves. But will it love him back? Alexander eats, breathes, and sleeps French (even conjugating in his dreams). He travels to France, where mistranslations send him bicycling off in all sorts of wrong directions, and he nearly drowns in an immersion class in Provence, where, faced with the riddle of masculine breasts, feminine beards, and a turkey cutlet of uncertain gender, he starts to wonder whether he should've taken up golf instead of French. While playing hooky from grammar lessons and memory techniques, Alexander reports on the riotous workings of the Académie française, the four-hundred-year-old institution charged with keeping the language pure; explores the science of human communication, learning why it's harder for fifty-year-olds to learn a second language than it is for five-year-olds; and, frustrated with his progress, explores an IBM research lab, where he trades barbs with a futuristic hand-held translator. Does he succeed in becoming fluent? Readers will be as surprised as Alexander is to discover that, in a fascinating twist, studying French may have had a far greater impact on his life than actually learning to speak it ever would. "A blend of passion and neuroscience, this literary love affair offers surprise insights into the human brain and the benefits of learning a second language. Reading William Alexander's book is akin to having an MRI of the soul." —Laura Shaine Cunningham, author of *Sleeping Arrangements* "Alexander proves that learning a new language is an adventure of its own--with all the unexpected obstacles, surprising breakthroughs and moments of sublime pleasure traveling brings." —Julie Barlow, author of *Sixty Million Frenchmen Can't Be Wrong*

3 Minute French - Course 1 *Createspace Independent Publishing Platform*

This book will teach you to speak French using an extremely simple and easy to follow method. If you've struggled to learn French in the past, this book is for you; you will succeed with this method. This book is split up into nine lessons, each of which will teach you a selection of useful words and phrases, and you'll learn how to put them together to form sentences, enabling you to communicate effectively in French from the very first lesson. You need no prior experience with French, you need no other materials; everything you'll need is contained within this book. You'll learn vocabulary that will be useful on any trips to France or any other French speaking country. It's perfect for the holiday-maker who wants to be able to communicate during their vacation. You'll have opportunity to practise what you've learnt thanks to hundreds of recap exercises, and you'll also learn about the 3 Minute Ideology and why extremely short bursts of study are much more effective for your overall learning than long, drawn out study sessions. Each word or phrase also comes with a useful pronunciation guide to show you how to say it in French. I wrote this book under the assumption that you know nothing about the French language, in fact, I wrote it under the assumption that you know nothing about languages full stop. This is because when I first started learning languages, I was always

thrown off by specific grammar terms or strange rules that weren't really explained properly. I explain everything in an easy-to-follow manner so you won't get lost. So, give 3 Minute French: Course 1 a go today and start speaking this beautiful language.

French Self-taught

Stuff You Should Know

An Incomplete Compendium of Mostly Interesting Things *Flatiron Books*

From the duo behind the massively successful and award-winning podcast *Stuff You Should Know* comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast *Stuff You Should Know* back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making *Stuff You Should Know* one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with *Stuff You Should Know*. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

Untangled

Guiding Teenage Girls Through the Seven Transitions Into Adulthood

"Damour draws on decades of experience and the latest research to [propose] the seven distinct--and absolutely normal--developmental transitions that turn girls into grown-ups, including parting with childhood, contending with adult authority, entering the romantic world, and caring for herself. Providing ... scenarios and ... advice on how to engage daughters ... [this book] gives parents a broad framework for understanding their daughters while addressing their most common questions"--Dust jacket flap.

New French With Ease *Assimil GmbH*

"Méthode d'apprentissage du français pour anglophones.

Divided We Fall

America's Secession Threat and How to Restore Our Nation *St. Martin's Press*

David French warns of the potential dangers to the country—and the world—if we don't summon the courage to reconcile our political differences. Two decades into the 21st Century, the U.S. is less united than at any time in our history since the Civil War. We are more diverse in our beliefs and culture than ever before. But red and blue states, secular and religious groups, liberal and

conservative idealists, and Republican and Democratic representatives all have one thing in common: each believes their distinct cultures and liberties are being threatened by an escalating violent opposition. This polarized tribalism, espoused by the loudest, angriest fringe extremists on both the left and the right, dismisses dialogue as appeasement; if left unchecked, it could very well lead to secession. An engaging mix of cutting edge research and fair-minded analysis, *Divided We Fall* is an unblinking look at the true dimensions and dangers of this widening ideological gap, and what could happen if we don't take steps toward bridging it. French reveals chilling, plausible scenarios of how the United States could fracture into regions that will not only weaken the country but destabilize the world. But our future is not written in stone. By implementing James Madison's vision of pluralism—that all people have the right to form communities representing their personal values—we can prevent oppressive factions from seizing absolute power and instead maintain everyone's beliefs and identities across all fifty states. Reestablishing national unity will require the bravery to commit ourselves to embracing qualities of kindness, decency, and grace towards those we disagree with ideologically. French calls on all of us to demonstrate true tolerance so we can heal the American divide. If we want to remain united, we must learn to stand together again.

The Little French Dictionary of Word Families

Learn More Than 2500 French Words

An easy little dictionary to learn French vocabulary! If there was a method for you to learn French vocabulary quickly and efficiently, would you do it? Of course you would, who wouldn't like to learn faster! This is exactly what this book is about, an easy way to learn French vocabulary. French is already complicated in general and there is no need to make it any harder. With this little French dictionary, you will learn 2500 words by word families. But how does it work? Simply by learning one word, that word will lead you up to 11 words from the same family. To understand the meaning, there is a sentence for each word family. Also, everything is translated to English, and as you will see, you probably already know a lot of words without knowing it. This book is the perfect French vocabulary builder, an easy French book to take everywhere with you. Practice your pronunciation with the FREE Audio available on our website.

My Life in France Anchor

NATIONAL BESTSELLER • Julia's story of her transformative years

in France in her own words is "captivating ... her marvelously distinctive voice is present on every page." (*San Francisco Chronicle*). Although she would later singlehandedly create a new approach to American cuisine with her cookbook *Mastering the Art of French Cooking* and her television show *The French Chef*, Julia Child was not always a master chef. Indeed, when she first arrived in France in 1948 with her husband, Paul, who was to work for the USIS, she spoke no French and knew nothing about the country itself. But as she dove into French culture, buying food at local markets and taking classes at the Cordon Bleu, her life changed forever with her newfound passion for cooking and teaching. Julia's unforgettable story—struggles with the head of the Cordon Bleu, rejections from publishers to whom she sent her now-famous cookbook, a wonderful, nearly fifty-year long marriage that took the Childs across the globe—unfolds with the spirit so key to Julia's success as a chef and a writer, brilliantly capturing one of America's most endearing personalities.

The Litigants

MADAME BOVARY

Psychological Novel from the prolific French writer, known for *Salammbô*, *Sentimental Education*, *Bouvard et Pécuchet*, *Three Tales*, *November* *e-artnow*

Madame Bovary is the French writer Gustave Flaubert's debut novel. The story focuses on a doctor's wife, Emma Bovary, who has adulterous affairs and lives beyond her means in order to escape the banalities and emptiness of provincial life. Though the basic plot is rather simple, even archetypal, the novel's true art lies in its details and hidden patterns. Flaubert was a notorious perfectionist and claimed always to be searching for *le mot juste* ("the precise word"). *Madame Bovary* takes place in provincial northern France, near the town of Rouen in Normandy. The story begins and ends with Charles Bovary, a stolid, kindhearted man without much ability or ambition. Gustave Flaubert (1821-1880) was an influential French writer who was perhaps the leading exponent of literary realism of his country. The celebrated short story writer Maupassant was a protégé of Flaubert.

The Greatest Thing in the World

An Address

The Anomaly

A Novel Other Press, LLC

A New York Times bestseller and a "Best Thriller of the Year" Winner of the Goncourt Prize and now an international phenomenon, this dizzying, whip-smart novel blends crime, fantasy, sci-fi, and thriller as it plumbs the mysteries surrounding a Paris-New York flight. Who would we be if we had made different choices? Told that secret, left that relationship, written that book? We all wonder—the passengers of Air France 006 will find out. In their own way, they were all living double lives when they boarded the plane: Blake, a respectable family man who works as a contract killer. Slimboy, a Nigerian pop star who uses his womanizing image to hide that he's gay. Joanna, a Black American lawyer pressured to play the good old boys' game to succeed with her Big Pharma client. Victor Miesel, a critically acclaimed yet largely obscure writer suddenly on the precipice of global fame. About to start their descent to JFK, they hit a shockingly violent patch of turbulence, emerging on the other side to a reality both perfectly familiar and utterly strange. As it charts the fallout of this logic-defying event, *The Anomaly* takes

us on a journey from Lagos and Mumbai to the White House and a top-secret hangar. In Hervé Le Tellier's most ambitious work yet, high literature follows the lead of a bingeable Netflix series, drawing on the best of genre fiction from "chick lit" to mystery, while also playfully critiquing their hallmarks. An ingenious, timely variation on the doppelgänger theme, it taps into the parts of ourselves that elude us most.

Man Enough

Undefining My Masculinity *HarperCollins*

A GRIPPING, FEARLESS EXPLORATION OF MASCULINITY The effects of traditionally defined masculinity have become one of the most prevalent social issues of our time. In this engaging and provocative new book, beloved actor, director, and social activist Justin Baldoni reflects on his own struggles with masculinity. With insight and honesty, he explores a range of difficult, sometimes uncomfortable topics including strength and vulnerability, relationships and marriage, body image, sex and sexuality, racial justice, gender equality, and fatherhood. Writing from experience, Justin invites us to move beyond the scripts we've learned since childhood and the roles we are expected to play. He challenges men to be brave enough to be vulnerable, to be strong enough to be sensitive, to be confident enough to listen. Encouraging men to dig deep within themselves, Justin helps us reimagine what it means to be man enough and in the process what it means to be human.

French in Action

A Beginning Course in Language and Culture : the Capretz Method

A beginning course in language and culture.

The complete guide to studying and living in France *Elina W*

France is one of the most attractive countries for pursuing higher education. It is the fourth-most popular destination for international students, after the United States, the United Kingdom and Australia. In 2019, around 358,000 international students chose to study in France, and this number is increasing yearly. According to Quacquarelli Symond which publishes the world's most popular university every year in their ranking systems 'The QS World University Ranking', Paris is also elected for one of the best student cities. This book is suitable for the people who are planning to pursue further studies in France. You may have already made up your mind or just start getting interested in studying abroad there, but have no idea where to begin with for your plan. This book summarises the procedure, the requirement, as well as essential information, in order to help the newcomers to prepare the best. A thorough preparation and a specific goal are two important elements to make sure your professional and cultural knowledge will be enriched when you study abroad. This book provides practical guides from choosing a suitable course and city to study, the application procedure, the free resources for students, to renting a room and obtaining subsidies. There are also detailed introduction to French language study resources to help you practise your French before arrival.

The New Paris

The People, Places & Ideas Fueling a Movement *Abrams*

"[Tramuta] draws back the curtain on the city's hipper, more happening side—as obsessed with coffee, creativity, and brunch

as Brooklyn or Berlin." —My Little Paris The city long-adored for its medieval beauty, old-timey brasseries, and corner cafés has even more to offer today. In the last few years, a flood of new ideas and creative locals has infused a once-static, traditional city with a new open-minded sensibility and energy. Journalist Lindsey Tramuta offers detailed insight into the rapidly evolving worlds of food, wine, pastry, coffee, beer, fashion, and design in the delightful city of Paris. Tramuta puts the spotlight on the new trends and people that are making France's capital a more whimsical, creative, vibrant, and curious place to explore than its classical reputation might suggest. With hundreds of striking photographs that capture this fresh, animated spirit—and a curated directory of Tramuta's favorite places to eat, drink, stay, and shop—The New Paris shows us the storied City of Light as never before. "The author's vibrant and precise command of English frames this lively collection of insights about cultural change and stories regarding multiple chefs and merchants." —Forbes "As the culinary scene in Paris evolves, a new palate of flavors and styles of eating have emerged, redefining what is 'French cuisine.' The New Paris documents these changes through the lens of bakers, coffee roasters, ice cream makers, chefs, and even food truck owners. A thoughtful, and delicious, look at how Paris continues to delight and excite the palates of visitors and locals." —David Lebovitz, author of My Paris Kitchen

English Grammar Boot Camp

Drink Dat New Orleans: A Guide to the Best Cocktail Bars, Neighborhood Pubs, and All-Night Dives *The Countryman Press*

Explore the origins and myths of the Crescent City one drink at a time New Orleans is an American city unlike any other, and its rich diversity is reflected in the world-class bar scene. In Drink Dat New Orleans, Elizabeth Pearce takes us on a tour of the city's many unforgettable drinking spots, including a candle-lit tavern favored by pirates in the early eighteenth century and a watering hole so beloved by locals that several urns containing the ashes of former patrons rest in peace behind its bar. A Louisiana native and co-founder of the Southern Food and Beverage Museum, Pearce brings her lifelong love of food, beverage, and local lore to this ultimate drinker's guide. From the nonstop parties on Bourbon Street to the classy cool of the Garden District, Drink Dat is the perfect way to explore America's most spirited city.

Language Hacking Spanish *Teach Yourself*

It's true that some people spend years studying Spanish before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Spanish, #LanguageHacking shows you how to learn and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Spanish from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social

collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book. You don't need to go abroad to learn a language any more.

Italian a Short Story for Beginners

Learn Italian Naturally *Createspace Independent Publishing Platform*

Learn Italian through the power of story. A simple Italian story for beginners! Enjoy the process of learning, don't beat yourself up. You don't need to read boring text books anymore. Italian A Short Story for Beginners is a story written just for you. The captivating nature of story makes learning fun and easy because your attention is focused and the context will help you determine what is being said. This book is loaded with simple sentences, practical scenarios, and common phrases any student of a second language would not only want to know, but NEED to know. Alternating vs Solid Text Alternating Text Alternating Text, Parallel text or interlinear text is when your target language, in this case Italian, is presented with the translation directly to the side or below respectively. A text may be presented with the literal translation of every word, or a sentence/paragraph translated into a more colloquial or natural way of expressing an idea. We find this second way to be of more value as it emphasizes patterns which are critical to learning any language and as you will see, most languages have unique idioms. An idiom is a phrase or pattern that expresses something other than its literal meaning like "what's up?" You're asking how someone is doing, not what's above them in the sky. Alternating text has many advantages over a traditional text body. Mainly you are able to very quickly glance down to see the translation of the idea your reading in Italian. No time is wasted flipping through glossaries and you don't risk losing your place in the book because the translated idea is presented right there on the same page within a glance's reach. Solid Text A traditional text body or text written entirely in one language has advantages of its own. Mainly, you are forced to interpret new or unfamiliar words based upon the context and your own memory. Context is extremely important, not only in grasping the true meaning of what is being said, but developing your capability to infer what new words mean. This skill is of the utmost value. When you meet an Italian speaker for the first time, odds are they will say a thing or two that you don't know or can't understand. Your ability to infer the meaning of a given word can greatly improve the quality of such an experience. This will expedite the learning curve and boost confidence. It is inevitable that you will make mistakes, don't let that stop you from conquering a new language. Solid text also forces you to recall definitions, sentence patterns, and the meaning of various expressions. Without a quick translation available, you will be challenged and grow. Alternating + Traditional So, which style of text did we choose to include in this book? Well, each is so valuable that we couldn't pick one over the other. Thus, we included BOTH! We've presented the story first in its entirety with an Italian and English alternating text. Each paragraph is presented with its translation below. Second, we presented the entire story in Italian. So now you can use this awesome tool in a way that best suits you and your growing

level of understanding. So, if you're interested in finally picking up Italian, you're just a click away. Order now.

French pronunciation made easy

The "People Power" Education Superbook: Book 7. Language Learning Guide (Free Language Materials On the Web) *Lulu Press, Inc*

List of French Books

INDICATIVE MOOD *Paris Writers Press*

105 Essential or Fundamental French Verbs is a bilingual French-English manual which presents an innovative learning method for those who wish to master the French indicative mood. By classing the verbs in terms of frequency of use, both oral and written, the teacher or student is able to progress logically and at his own rhythm. In order to help English speakers learn the correct French pronunciation, a simple color coding has been applied to signal complex sounds and to indicate silent letters. To reinforce a cumulative learning experience, each new element is subsequently recapitulated through diagrams and tables that show how it is used in the different tenses, as well as how these are formed. MARIANNE YAYANE VERBUYT is a teacher and educator with a passion for transmitting knowledge. After more than two decades working within some of the most renowned scholastic institutions in Europe and the United States, as a co-author of the book, "Apprendre malgré le handicap ou la maladie" and as the primary educator highlighted in the acclaimed documentary, "Sur la route couleur de sable," Marianne decided to apply all of her pedagogical experience to understanding the mechanisms of learning. Integrating feedback from her many students, she figured out a coherent and innovative way to communicate the complexities of the French language to a non-French speaker. The simple and graphic aesthetic of this manual is intended to transform the student into a powerful participant in his or her own learning process."

Learn Vietnamese: Must-Know Vietnamese Slang Words & Phrases *Innovative Language Learning*

Do you want to learn Vietnamese the fast, fun and easy way? And do you want to master daily conversations and speak like a native? Then this is the book for you. Learn Vietnamese: Must-Know Vietnamese Slang Words & Phrases by VietnamesePod101 is designed for Beginner-level learners. You learn the top 100 must-know slang words and phrases that are used in everyday speech. All were hand-picked by our team of Vietnamese teachers and experts. Here's how the lessons work: • Every Lesson is Based on a Theme • You Learn Slang Words or Phrases Related to That Theme • Check the Translation & Explanation on How to Use Each One And by the end, you will have mastered 100+ Vietnamese Slang Words & phrases!

Marianne Is Watching

Intelligence, Counterintelligence, and the Origins of the French Surveillance State *U of Nebraska Press*

Professional intelligence became a permanent feature of the French state as a result of the army's June 8, 1871, reorganization following France's defeat in the Franco-Prussian War. Intelligence practices developed at the end of the nineteenth century without direction or oversight from elected officials, and yet the information gathered had a profound influence on the French population and on pre-World War I Europe more broadly. In *Marianne Is Watching* Deborah Bauer examines the history of French espionage and counterespionage services in the era of their professionalization, arguing that the expansion of surveillance practices reflects a change in understandings of how best to protect the nation. By leading readers through the processes and outcomes of professionalizing intelligence in three parts--covering the creation of permanent intelligence organizations within the state; the practice of intelligence; and the place of intelligence in the public sphere--Bauer fuses traditional state-focused history with social and cultural analysis to provide a modern understanding of intelligence and its role in both state formation and cultural change. With this first English-language book-length treatment of the history of French intelligence services in the era of their inception, Bauer provides a penetrating study not just of the security establishment in pre-World War I France but of the diverse social climate it nurtured and on which it fed.

Copywriting for Podcasters

How to Grow Your Podcast, Brand, and Business With Compelling Copy *Createspace Independent Publishing Platform*

This book looks at 15 of the benefits of podcasting: from increased industry authority, to networking with key players in your field, to growing your audience through an exploding medium, to paid speaking gigs. But to reap all the rewards, you need effective writing. Author and seasoned teacher turned podcasting entrepreneur Laura Petersen, guides you step-by-step through all the important areas where writing well will grow your podcast, brand, and business. Including: 1. Effective story-telling 2. Show-stopping shownames 3. Not-so-subtle showtitles 4. iTunes podcast show descriptions 5. Episode scripting and interview question crafting 6. Enticing episode titles 7. Podcast shownotes 8. Transcription for leveraging SEO and more 9. Lead magnets and content upgrades 10. Social media profiles and posts 11. Social media growth 12. Artful emails 13. Booking podcast interviews with 1-sheeters 14. [BONUS] How to book interview guests (and high-profile big-fish) even when you are just starting out 15. [BONUS] How to write Facebook ad copy to promote your podcast like a pro and more. In this book, you will find detailed examples, insights from influencers, and ways you can apply what you learn to your own podcast and business, whether you already have a podcast and want to grow it bigger or are planning to start one of your own. --Amazon.

All Is Well

Catastrophe and the Making of the Normal State *Oxford University Press*

"All Is Well attempts to answer one of the most urgent questions of our time: what is the relationship between modern states and disasters? Disasters are commonly understood as exceptional occurrences that ruin societies and inspire ad hoc rituals of legal, administrative, and scientific control called 'disaster

management.' States and the international institutions perform disaster management to protect society. The book challenges this traditional narrative. It interprets 'disaster management' as a historical struggle to conserve the existence and experience of catastrophes and produce idealized authorities capable of protecting society from uncertainty. It examines the emergence of this struggle in the eighteenth century and reveals how rulers and experts struggling to master God, Nature, and each other, inaugurated modern meanings of risk, normalcy, power, and responsibility. By recovering this history of disaster management, the book reveals underlying legal structures and political-economies that smuggle the unspoken costs of modernity inside the rationalized representation of past catastrophes and future risks. Catastrophes, put bluntly, are not occurrences. They are inventions. Even in their most destructive forms, catastrophes are the stigmata through which the modern state renews itself. The book develops this argument by examining the Marseille plague (1720), the Lisbon earthquake (1755), and the Bengal famine (1770), and showing how eighteenth-century beliefs reverberate in structure and policies of 'global' disaster management today. It concludes that Climate Change and the national and international authorities designed to fight it, are products of three centuries of disaster management, and civilizational survival depends on reckoning with this past"--

Wow in the World

The How and Wow of the Human Body *Macmillan*

HY in the world do I have a belly button? And WHAT in the world does it do? WHEN in the world will my nose stop growing? And HOW in the world does my pee keep flowing? The human body is a fascinating piece of machinery. It's full of mystery, wonder and WOW. And it turns out, every single human on the planet has one! Learn French--Parallel Text--Easy Stories (English--French).

Learning French with parallel text is the most rewarding and effective method to learn a language. Existing vocabulary is refreshed, while new vocabulary is instantly put into practice. The French grammar easily sinks in through our cleverly written and well formatted stories. Recommended for beginners-, intermediate level learners of French and as a refreshers course. It is so easy and enjoyable even absolute beginners with no prior knowledge can start learning. While we feel anyone at any level can work with these stories, a basic understanding of French would be recommended to achieve the maximum learning effect and pleasure. Our entertaining stories contain European culture and characters. Our stories are fun to read so you maintain concentration and learn from motivation.

Paris on Air *Earful Tower Publishing*

Join award-winning podcaster Oliver Gee on this laugh-out-loud journey through the streets of Paris. He tells of how five years in France have taught him how to order cheese, make a Parisian person smile, and convince anyone you can fake French (even if, like Oliver, you speak the language like an Australian cow). A fresh voice on the Paris scene, he shares the soaring highs and crushing lows that come with following your dreams to the French

capital. He also befriends the city's too-cool-for-school basketballers, chases runaway crocodiles, and goes on a mammoth honeymoon trip around France on his little red scooter.

Michel Thomas German Foundation Course

Michel Thomas's approach to language learning aims to provide in a few hours a functional working knowledge of a language without books, note-taking or conscious memorizing. This CD pack provides an eight-hour course in German plus a 2-CD review course.
