List of political parties in the United States - Wikipedia

American electoral politics has been dominated by two major political parties since shortly after the founding of the republic. Since the 1850s, they have been the Democratic Party and the Republican Party. Since the last major party realignment in the mid-20th century, the Democratic Party has been the center-left and liberal party, and the Republican Party has been the center-right and ...

Political parties in the United States - Wikipedia

The United States has two major national political parties, the Democratic Party and the Republican Party. Although the parties contest presidential elections every four years and have national party organizations, between elections they

are often little more than loose alliances of state and local party organizations.

United States - Political parties | Britannica

There are two major parties in the United States - the Democratic Party and the Republican Party. Founded in 1792 by Thomas Jefferson and James Madison, the Democratic Party has positioned itself as the liberal party on domestic issues since 1912. In 2004, it was the largest political party, with 72 million registered voters.

How many political parties are there in the US?

POLITICS, PARTIES, AND ELECTIONS IN AMERICA, Seventh Edition, is filled with the latest research on what political

parties do, how they are organized, how party leaders behave, the functions of political parties and their limitations, the unique features of American political parties, and the impact of political parties within the American political system.
