Book: Beginning Algebra (Redden)
Traditionally, the study of algebra is separated into a two parts, elementary algebra and intermediate algebra. This

textbook is the first part, written in a clear and concise manner, making no assumption of prior algebra experience. It carefully guides students from the basics to the more advanced techniques required to be successful in the next course.

Book: Beginning Algebra (Redden) - Mathematics LibreTexts

This is one of my favorite courses to teach because this is where your foundation in algebra begins and I'd like to help build or repair your foundation. This course, taught on campus twice per week for 75 minutes each, was primarily recorded at the Lancaster Campus of Harrisburg Area Community College.
