BIM 360 Document Management

BIM for Project Managers. RICS has recently published a new insight paper

looking at how project managers can spur the adoption of BIM and drive improvements across project teams. This year's NBS National BIM Report paints a picture of BIM adoption in a maturing market – awareness is almost universal and adoption steadily increasing. However it's fair to say that mainstream focus has been on front-end use of BIM in design and to reap fullest rewards that focus now needs to be broader.
