Time Is a Mother *Penguin*

The New York Times-bestselling collection of poems from the award-winning writer Ocean Vuong "Take your time with these poems, and return to them often." —The Washington Post How else do we return to ourselves but to fold The page so it points to the good part In this deeply intimate second poetry collection, Ocean Vuong searches for life among the aftershocks of his mother's death, embodying the paradox of sitting within grief while being determined to survive beyond it. Shifting through memory, and in concert with the themes of his novel *On Earth We're Briefly Gorgeous*, Vuong contends with personal loss, the meaning of family, and the cost of being the product of an American war in America. The author of the critically acclaimed poetry collection *Night Sky With Exit Wounds*, winner of the 2016 Whiting Award, the 2017 T. S. Eliot Prize, and a 2019 MacArthur fellow, Vuong writes directly to our humanity without losing sight of the current moment. These poems represent a more innovative and daring experimentation with language and form, illuminating how the themes we perennially live in and question are truly inexhaustible. Now & When *Delacorte Press*

For fans of Jenny Han and Christine Ricci comes a romantic dramedy about a teen girl who stumbles upon a mysterious website that tells her everything she doesn't want to know about her future. There's something about Truman Alexander that Skyler Finch finds incredibly annoying. Actually, several things: his voice (grating), his arrogance (total know-it-all), his debate-team obsession (eyeroll), and his preppy vibe (does he iron his shorts?). She does

her best to avoid him and focus on the important stuff: friends, school, and her boyfriend, Eli. His proposal was perfect--just like he is--and the future is looking bright. Or is it? For some unexplainable reason, Skyler's phone is sending her notifications from the future . . . a future in which, to her horror, she appears to be with Truman. As in, romantically. As in, Skyler cannot let that happen. But trying to change the future means messing up the present, and what Skyler sees keeps shifting. Classmates disappear and reappear, swap partners and futures. Turns out there are no actions without reactions, and life doesn't come with a road map. But sometimes the wandering leads you exactly where you need to be, and people--like glitchy phones--are full of

surprises.
