### **Holy Fools Joanne Harris**

A gorgeous, compelling  
 story set in mediaeval  
 France, Holy Fools has  
 all the ingredients I  
 love in Joanne Harris's

books. There's a strong, complex heroine with pagan inclinations, a few villains, a slightly gothic setting, and a lot of less than comfortable reflections on the human condition.

### **Holy Fools by Joanne Harris - Goodreads**

Joanne Harris is the author of seven previous novels—*Chocolat*, *Blackberry Wine*, *Five Quarters of the Orange*, *Coastliners*, *Holy Fools*, *Sleep*, *Pale Sister*, and *Gentlemen & Players*; a short story collection, *Jigs & Reels*; and two cookbook/memoirs, *My French Kitchen* and *The French Market*. Half French and half British, she lives in England.

Half French and half British, she lives in England.

### **Holy Fools: A Novel (Harris, Joanne): Harris, Joanne ...**

Like Joanne Harris' other leading ladies, Juliette of 'Holy Fools' delights in being a pragmatic woman on her own who does not hesitate to ameliorate good fortune or banish evil through unconventional means:

her gypsy mother's charms, frequent readings of the tarot, the scientific alchemy learned by her childhood tutor and herbal potions galore.

**Holy Fools: A Novel - Kindle edition by Harris, Joanne ...**

Much more than a tale of revenge and redemption, *Holy Fools* delves into maternal bonds, love and betrayal, 17th-century politics, and the abusive power of the church. Harris varies her theatrical retelling

of Juliette's story with flashbacks, journal entries, and even LeMerle's own voice, giving the novel depth but some unwelcome frenzy.

**Holy Fools - Kindle edition by Harris, Joanne. Literature ...**

Introduction. Joanne Harris is known for crafting enticing storylines set in deliciously imaginative locales. With *Holy Fools*, she once again transports us to a time and venue steeped in fervor. The opening scene alone signals the novel's ironic and intriguing undertones as a troupe of vagabond actors dazzles the residents of a remote French abbey, tucked away on an island off the coast of Brittany.

**Reading guide for Holy Fools by Joanne Harris**

*Holy Fools* A collection of links to diverse reviews on various websites. See the Reading Guide for *Holy Fools*

**Holy Fools | Joanne Harris**

The novel is set in a remote nunnery in the 17th century, a peaceful and idyllic life for Juliette and her small daughter after a hard life in a travelling circus. But of course that would make for a dull book, so within the first few chapters the

arrival of a new priest and abbess changes everything.

Product Information

With her internationally bestselling novels *Chocolat*, *Blackberry Wine*, *Five Quarters of the Orange*, and *Coastliners*, Joanne Harris has woven intoxicating spells that celebrate the sensuous while exposing the passion, secrets, and folly beneath the surface of rustic village life.

**Holy Fools by Joanne Harris (2004, Hardcover) for sale**

...

In *Holy Fools*, her most ambitious and accomplished novel to

date, she transports us back to a time of intrigue and turmoil, of deception and masquerade. In the year 1605, a young widow, pregnant and alone, seeks sanctuary at the small Abbey of Sainte Marie-de-la-mer on the island of Noirs Moustiers off the Brittany coast.
