8 Elements of a Story Explained: Setting, Character, Plot ...
The ability to compare and contrast is one of the first higher-order reading comprehension skills students are introduced to. And it is no wonder, as the ability to categorise and compare things in terms of their differences and similarities corresponds to some the earliest stages of cognitive development. Without the ability to group things effectively in terms of their similarities and differences, much of what we consider as 'learning' would be impossible.

Teaching Compare and Contrast — Literacy Ideas
The most obvious difference between a novel and a short story is length. Now, there are no set rules about how long a short story should be, or how long a novel should be. And rightly so, as there's

more to it all than that. However, a novel is a larger-scale project that takes a lot more stamina than a short story.

The Difference Between Short Story and Novel Writing ...
