International Responses To Mass Atrocities

In International Responses to Mass Atrocities in Africa, Kurt Mills develops a typology of responses to mass atrocities, investigates the limitations of these responses, and calls for such responses to be implemented in a more timely and thoughtful manner. Mills considers four cases of international responses to mass atrocities—in Rwanda, the Democratic Republic of the Congo, Uganda, and Darfur—putting the cases into historical context and analyzing them according to the typology ...

International Responses to Mass Atrocities in Africa ...

The core argument developed here is that the international community’s responsibility with respect to mass atrocities entails, in fact, three separate responsibilities – he refers to this tripartite responsibility as “R2P³”: First, the international community has what Mills calls the “responsibility to palliate”, that is, the duty to provide humanitarian aid in cases of mass atrocities (p.16). The second international obligation, according to Mills, is the “responsibility to ...
