As a middle school teacher I decided to

do a workshop on teaching cursive. There is big demand at my school because so many students never had any cursive instruction in elementary nor could they read a lot of cursive writing. This is the book to teach from. I had much success with my students, even though I had to combine units.

Teaching Cursive, this Method Works - Home | Facebook

After thirty-six years teaching elementary students Linda Corson wanted to share her highly successful method of teaching cursive writing. This book is the culmination of techniques that evolved over those years. Students left class with penmanship that carried them through higher education and on to successful careers. Concerned with the plight of cursive writing, she volunteer tutors at Bend, Oregon elementary schools, holds workshops on her method and helps her homeschooling grandchildren.

Biography - Teaching Cursive!

Reading cursive can be mastered in just 30 to 60 minutes, even by kids who print. There's even a free iPad app teaching how: called "Read Cursive." Given the importance of reading cursive, why not teach it explicitly and quickly, for free, instead of leaving this vital skill to depend upon learning to write in cursive?

5 Fun Ways to Teach Cursive

Writing at Home.

Teaching Cursive! This Method Works book. Read reviews from world's largest community for readers.

Teaching Cursive! This Method Works by Linda L. Corson

This method focuses on learning the strokes first. Letters are grouped together based on the various strokes involved in forming each letter. So instead of starting with the letter a, the child will learn the letter l first, followed by e, t, and i, which all share the same easy strokes in cursive.
