Interest Groups and Lobbying will challenge students to rethink their assumptions about interest groups, and think more critically about the problems of representation in the interest group age." -- Bryan McQuide, Grand View University and University of Idaho "Though it is an arena of politics with growing attention among scholars and students, there has been a deficit in textbooks that focus on interest

groups.

Interest Groups and Lobbying: Pursuing Political Interests ...

Interest groups and lobbyists play a crucial role in how public policy is made in the United States' representative democracy. By helping citizens organize and pursue their self-interests in the political arena, interest groups and lobbyists are an alternative but very effective form of representation. However, the adversarial nature of interest groups often fuels voter discomfort with the political process.
