The Sins of the Mother

A Novel *Delacorte Press*

NEW YORK TIMES BESTSELLER Every woman makes choices. And no one has made more difficult choices than Olivia Grayson. The enormously successful businesswoman missed out on much of her children's lives while she built her legendary home-furnishings empire. In Danielle Steel's character-rich new novel, Olivia faces the past, tries to balance the present, and makes amends where due, while still running her vastly successful business. THE SINS OF THE MOTHER As a way of making up to them for time lost, Olivia spends months every year planning a lavish holiday that everyone in her family will enjoy. This summer she has arranged a dream trip in the Mediterranean on a luxurious yacht, which she hopes will be the most memorable vacation of all. Her lavish

gesture every year expresses her love for them, and regret at all the important times she missed during her children's younger years. Her younger daughter, Cassie, a hip London music producer, refuses the invitation altogether, as she does every year. Her older daughter, Liz, lives in her mother's shadow, with a terror of failure as she tries to recapture her dream of being a writer. And her sons, John and Phillip, work for Olivia, for better or worse, with wives who wish they didn't. In the splendor of the Riviera, this should be a summer to remember, with Olivia's children, grandchildren, and daughters-in-law on board. But as with any family gathering, there are always surprises, and no matter how glamorous the setting things don't always turn out as ones hopes.

Family dynamics are complicated, old disappointments die hard, and as forgiveness and surprising revelations enter into it, new bonds are formed, and the future takes on a brighter hue. And one by one, with life's irony, Olivia's children find themselves committing the same "sins" for which they blamed their mother for so many years. It is a summer of compassion, important lessons, and truth. *The Sins of the Mother* captures the many sides of family love: complex, challenging, funny, passionate, and hopefully enduring. Along the way, we are enthralled by an unforgettable heroine, a mother strong enough to take more than her fair share of the blame, wise enough to respect her children for who they really are, and forgiving enough to love them

unconditionally. **BONUS:** This edition includes an excerpt from Danielle Steel's *Winners*.

wisdom MaryAnne Parkin shared with Richard in The Christmas Box. With the help of David Parkin's diary, Richard discovers the mystery of the timepiece and the significance of MaryAnne's request. Nineteen years previous, only eleven days before her death, MaryAnne Parkin had bequeathed a beautiful rose-gold timepiece to my keeping. "The day before you give Jenna away," she had said, her voice trembling as she handed me the heirloom, "give this to her for the gift." I was puzzled by her choice of words. "Her wedding gift?" I asked. She looked at me sadly, then forced a fragile smile. "You will know what I mean."
