Frigoboat R134a charge guidelines - Air Conditioning

R134a Recharge Guidelines. There is much talk and discussion in certain forums about how to determine the correct refrigerant charge level for a capillary tube refrigeration system, but there is only one, simple method that will result in the perfect charge; the frost-line method. Pressures and current draw can be monitored to confirm that these are within expected limits, but there is no better way to gauge the refrigerant level than with the frost-line method.
