Coronet Vintage Cameras for sale | eBay

Coronet was a British camera maker based in Birmingham. The company was formed in 1926 by F.W.Pettifer. It manufactured a variety of cheap box

and folding cameras until 1967. After the war it worked together with the French company Tiranty to avoid French import

restrictions. Several Coronet camera models were made in France, some with Boyer lenses, and some with instruction imprints in French.
