The final book of the Mongoliad trilogy from Neal Stephenson and company tells the gripping personal stories of medieval freedom fighters to form an epic, imaginative recounting of a moment in history when a world in peril relied solely on the courage of its people.

The Mongoliad: Book Three (Foreworld, #3) by Neal Stephenson

The Mongoliad is apparently an attempt to answer the question of why the Mongol hordes stopped their sweeping invasion across Europe. An epic tale of historical fiction told as two parallel stories. The first follows a group of knights, a fairly rag-taggle mixture of knights from different countries - many not even speaking a common tongue - but united under their common purpose as the Ordo Militum Vindicis Intactae.
