**Before and After
Page Design eBook
by John McWade ...**

The book, Before &
After Page Design,
could not have a
simpler or more

descriptive title. The title says it all. The author takes a 'before' design of some type and then, in the course of several pages, transforms that design into the 'after' that leaves you saying, 'Sure, why didn't I do that in the first place?'.

**Before and After
Page Design:
McWade, John:
0785342795370 ...**

I subscribed to
McWade's Before &
After magazine for

years, and it was solid gold. These three books are all excellent, and continue that fine tradition. They feature hundreds of design examples, including variations on each one, explanations of the design choices being made, and information on how to create each effect and layout.
