What is literary theory? An Introduction - English Literature

Literary theory is the systematic study of the nature of literature and of the methods for literary analysis. Since the 19th century, literary scholarship includes literary theory and considerations of intellectual history, moral philosophy, social prophecy, and interdisciplinary themes relevant to how people interpret meaning. In the humanities in modern academia, the latter style of literary ...

Literary theory - Wikipedia

Theory of Literature is a book on literary scholarship by René Wellek, of the structuralist Prague school, and Austin Warren, a self-described "old New Critic". The two met at the University of Iowa in the late 1930s, and by 1940 had begun writing the book; they wrote collaboratively, in a single voice over a period of three years. Its contents were based on their shared understandings of literature.

Theory of Literature - Wikipedia

Over the years, literary critics have argued about the best ways to interpret literature. Accordingly, many “schools” or “theories of criticism” have emerged. As you can imagine–given that they were developed by sophisticated specialists–some of these theoretical approaches are quite sophisticated and abstract.
