Unleashing The Social Butterfly Within The Ultimate Guide ...
workers doing great social work, even where caseloads are high, supervision is infrequent, resources are reducing and there is little professional development. For some social workers, however, it's not such a daily battle. For there is a small but growing vanguard of children's social care organisations that are doing things differently -

Delivering our vision for excellent children's social care
Social work student placements with support organisations, such as those dealing with drug and alcohol dependency, can be immensely valuable. Recently, I met up with Ellie Reed, Principal Social Worker and National Social Work Lead for Change Grow Live, a voluntary sector organisation specialising in substance misuse and criminal justice intervention projects in England, Scotland and Wales.

Student placements help grow the social workers of ...
Children's social care services have an essential role to play - whether by keeping children safe from harm, finding the best possible care when children cannot live at home, or creating the conditions that enable children to thrive and achieve. To make that happen, it is essential that everybody working within children's social care has the
