As a longtime admirer of Chuck Klosterman's writing on pop music and culture, it pains me to report that his latest book, Killing Yourself to Live: 85% of a True Story, is a dismal, shoddy piece of work. The premise is promising: Klosterman sets out on a cross-country road trip to visit all of the sites of rock 'n' roll's long, rich history of death. It seems a brilliant idea ...

Killing Yourself to Live: 85% of a True Story is a work of non-fiction written by Chuck Klosterman, first published by Scribner in 2005. The title is a reference to the 1973 song "Killing Yourself To Live", by the heavy metal band Black Sabbath. It is Klosterman's third book and focuses on the premise of writing about the relationship between ...
