I think *Before the Door Closes* is primarily a memoir about problems in end-of-life care. In various facilities, Simon's father experiences appalling neglect and disrespect: he is expected to sleep in a La-Z Boy recliner instead of a bed, he is given the wrong medicine (and, once, a 125 mg. dose instead of 12.5), and forced to be treated by a psychiatrist without a degree in psychiatry.

A door closer is defined as any mechanical device that closes a door in a controlled manner, preventing it from slamming, in general after someone opens it, or after it was automatically opened. The force used to open the door is stored in some type of spring and when released this energy is then utilised to return the door to a closed position. Door closers can be linked to a building's fire alarm system. Where doors need to be held open for the majority of the time they are held back ...

Door closer - Wikipedia

Turn the screw clockwise to make the door close slower. Use a screwdriver to tighten the adjustment screw slightly if the door is closing too fast. This will change the speed of the pneumatic cylinder to slow the door down. Make very minor adjustments—maybe 1/8 of a turn at a time—until you're happy with how the door closes.

Before the Door Pictures - Wikipedia

A door closer is used to close a door automatically each time it is

opened. The average closer starts at level 3, and you must turn an adjustment screw or nut on the closer body to change this setting. Adjust the closing speed. Open the door completely and watch as it closes. The speed that the door moves from fully open to just before it latches is known as "closing" or "main" speed.

How to Adjust a Door Closer

In my entire life, any time I've ever lost something, I've gotten something even better going around the next corner. It's like one door closes and another door opens. As long as I can walk through the produce section in every grocery store in this country and eat the grapes that they're going to throw away, I know I can be fine.

63 Closes Quotes - Inspirational Quotes at BrainyQuote

Remember that the door has closed for a reason, and if someone else found it open, then that door was meant for them. For example, a woman who got a divorce from her husband watched as another woman opened up her closed door and proceeded to

date her husband and get married to him.
