Life Skills For Vocational Success Manual - Kora

Life skills vary by culture and by a person's age. A mature adult is expected to have stronger life skills than a younger person. However, there are certain life skills that almost every employer looks for when hiring new employees. Companies look for job candidates who can handle common

challenges that arise at work, and life skills help employees do just that.

Important Life Skills That Employers Value

The term ‘Life Skills’ refers to the skills you need to make the most out of life. Any skill that is useful in your life can be considered a life skill. Tying your shoe laces, swimming, driving a car and using a computer are, for most people, useful life skills. Broadly speaking, the term ‘life skills’ is usually used for any of the skills needed to deal well and effectively with the ...
