Staying For Good was one sweet and sexy reunion romance that also has a lot of family drama and tackles the issue of domestic violence sensitively. The synopsis of this story does not do it justice. I thought I had already figured out the complete story line after reading a few chapters and was expecting the typical fairy tale with some good ...

1. Watch what you eat and drink. It sounds obvious, but having a balanced diet is crucial for good health, energy and preventing illness. An ideal diet should be low in saturated fat, with lots of fruit and vegetables,

wholegrains, oily fish, and small amounts of low-fat dairy and lean meat. Don't forget to top-up with lots of water to avoid dehydration, which can make you feel tired and confused.

How to age well: 10 tips for healthy ageing | Age UK

As a basic guide, most people need about 1.5 to 2 litres of fluid a day, which is about eight to 10 glasses. You can get this from water and other drinks, such as milk and fruit juice. Water in food also counts – fruit and vegetables contain lots of water. Cucumber and lettuce have the highest water content of any food – a massive 96%.
