### Radiohead True Love Waits On

"True Love Waits" is a song by the English alternative rock band Radiohead, released on their 2016 album A Moon Shaped Pool. Radiohead first performed it in 1995, and singer Thom Yorke performed it solo on acoustic guitar or Rhodes piano in the following years. The band and producer Nigel Godrich attempted to record the song for the albums OK Computer, Kid A and Amnesiac, but could not settle on an arrangement, and it became one of their best-known unreleased songs. Versions recorded during the

True Love Waits (album) - Wikipedia

You can't make true love happen with everyone as Thom suggests pessimistically in his ironical and sobering statement, "True love waits in haunted attics." Sometimes we just need to end the relationship and move on, lest we should spend the rest of our lives in haunted attics waking up next to someone with a "crazy kitten" smile.

TRUE LOVE WAITS ACOUSTIC LIVE CHORDS (ver 2) by Radiohead ...

Thom Yorke got the lyric, "True love lives on lollipops and crisps" from a newspaper article he was reading. The story was about a 10 year old boy who was left home alone for 2 days, and the boy lived on lollipops and crisps (potato chips). True love can be anything. The song dates back to the mid-1990s and has been a popular concert ballad since then; a live version was released on the 2001 live album I Might Be Wrong.

True Love Waits by Radiohead - Songfacts

"True Love Waits" is a unique Radiohead song. Although the song lyrics are cryptic and not easily understood, behind them lies a statement on the meaning of "true love" in general. When asked about the meaning of the first verse of the song, Thom Yorke replied, "The difference between young and old [is] when people start to dress sensible and act their age.

True Love Waits (acoustic Radiohead cover) - Mike Massé ...

As befits the dedicated expectancy of its title, True Love Waits is a belated expression of admiration for the music of Radiohead from the renowned American concert pianist Christopher O'Riley, a man who ordinarily plys his craft performing Rachmaninoff, Chopin and Prokofiev but whose affinity for the anomalous Oxford quintet has inspired him to transpose 15 of their songs into his own interpretive, classical piano recitals.
