Pablo Escobar: My Father *Macmillan*

"THE INTERNATIONAL BEST SELLER! When Pablo Escobar died in 1993, his seventeen-year-old son initially vowed revenge. But Juan Pablo quickly recognized that reaction entailed following in his father's footsteps--something neither he nor his father ever wanted. Their lives in immense danger, Juan Pablo, his mother, and his sister assumed new identities and fled to Argentina, where he would spend the next two decades grappling with his father's legacy. Now an architect and advocate of drug policy reform, Juan Pablo breaks his silence to tell his side of the story, shedding new light on the infamous kingpin--the man who was also his loving father"--

THE POPULAR SERIES NARCOS CAPTURES ONLY HALF THE TRUTH. HERE, AT LAST, IS THE FULL STORY. THE INTERNATIONAL BEST SELLER! Until now, we believed that everything had been said about the rise and fall of Pablo Escobar, the most infamous drug kingpin of all time, but these versions have always been told from the outside, never from the intimacy of his own home. More than two decades after the full-fledged manhunt finally caught up with the king of cocaine, Juan Pablo Escobar travels to the past to reveal an unabridged version of his father—a man capable of committing the most extreme acts of cruelty while simultaneously professing infinite love for his family. This is not the story of a child seeking redemption for his father, but a shocking look at the consequences of violence and the overwhelming need for peace and forgiveness.

Pablo Escobar

My Father *Random House*

THE INTERNATIONAL BESTSELLER FROM PABLO ESCOBAR'S SON Until now, we believed that everything had been said about the rise and fall of the most infamous drug lord of all time, Pablo Escobar – from books to film to the cult series 'Narcos'. But these versions have always been told from the outside, only capturing half the truth, and never from the intimacy of his own home. Now, more than two decades after the full-fledged manhunt finally caught up with Escobar, his son brings

us the dramatic truth as never before. Here we find a man of contradictions – generosity and infinite love for his family; yet capable of the most extreme acts of cruelty and violence. In a deeply personal exploration of his father, we see the inner world of a man who was celebrated by some as a benevolent Robin Hood figure and by others, as a dangerous leader of the most ruthless mafia organisation in human history, reaping vengeance and death on anyone that might stand in his way. When Escobar died, his then teenage son vowed revenge. But Escobar Jr. quickly recognised that meant following in his father's footsteps—something neither of them had ever wanted. With his change of heart, he denounced the Pablo Escobar legacy. This is far from the story of a child seeking redemption, but a shocking look at the consequences of violence and his attempt to come to terms with it.

Son of Escobar

First Born *Ad Lib Publishers Ltd*

Pablo Escobar was the most notorious drug lord the world has ever seen. He became one of the ten richest men on the planet and controlled 80 per cent of the global cocaine trade before he was shot dead in 1993. This is the long-awaited autobiography of his eldest son, Roberto Sendoya Escobar. His story opens with two helicopter gunships, filled with heavily armed Colombian Special forces personnel led by an MI6 agent, flying into a small village on the outskirts of Bogota in Colombia. The secret mission to recover a stolen cash hoard, culminates in a bloody shoot-out with a group of young Pablo Escobar's violent gangsters. Several of the men escape, including the young Escobar. As the dust settles in the house, only a little baby is left alive. His distressing cries can be heard as his young mother lies dead beside him. That baby is the author, Roberto Sendoya Escobar. In a bizarre twist of fate, the top MI6 agent who led the mission, takes pity on the child and, eventually, ends up adopting him. Over the years, during his rise to prominence as the most powerful drug lord the world has ever known, Pablo Escobar tries, repeatedly, to kidnap his son. Flanked by his trusty bodyguards, the child, unaware of his true identity, is allowed regular meetings with Escobar and it becomes apparent that the British government is working covertly with the gangster in an attempt to control the money laundering and drug trades. Life becomes so dangerous, however, that the author is packed off from the family mansion in Bogota to an English public school. Many years later in England, as Roberto's adopted father lies dying in hospital, he hands his son a coded piece of paper which, he says, reveals the secret hiding place of the 'Escobar Missing millions' the world has been searching for! The code is published in this book for the first time.

Surviving Pablo Escobar

"Popeye" The Hitman 23 years and 3 months in prison *Ediciones y Distribuciones Dipon Ltda.*
I've begged God for forgiveness, but I won't know till the day I die if He has truly forgiven me ... I've paid my dues to society by serving my long sentence, but perhaps I haven't earned His indulgence ... Oh my God, I've lived so many different lives! I survived Pablo Escobar Gaviria, El Patrón (The Boss), and it was the strength of his indomitable spirit that kept me going all these years; I don't quite know how or why. I still feel his presence every day of my existence. The Medellín cartel's crimes weigh as heavily on my shoulders today as they did yesterday. My youth, wasted in crime, became the sword that now hangs over my graying head. To the world, I'll always be known by my alias, Popeye, the fearsome hitman of the Medellín cartel, Pablo Escobar Gaviria's right-hand man ... How can I make you understand I'm a new man ... that twenty-three years behind bars in that hellhole have transformed the person I once was. Now the freedom I yearned for is vanishing in the murderous hands of my enemies. Perhaps fate has extended my life only to toy with me by preparing my own dying moments. I survived in captivity but I don't know if I'll be able to live in freedom ... A prisoner of my own mind, I'll try to fight to find some peace ... It's very cold ... now it's August 2014. I'm one step from freedom and I'm still breathing ... still here in this dimly lit cell in the maximum security prison in Cúmbita, Boyacá.

Pablo Escobar

Beyond Narcos *Createspace Independent Publishing Platform*

The mind-blowing true story of Pablo Escobar and the Medellín Cartel beyond their portrayal on Netflix. Colombian drug lord Pablo Escobar was a devoted family man and a psychopathic killer; a terrible enemy, yet a wonderful friend. While donating millions to the poor, he bombed and tortured his enemies - some had their eyeballs removed with hot spoons. Through ruthless cunning and America's insatiable appetite for cocaine, he became a multi-billionaire, who lived in a \$100-million house with its own zoo. Pablo Escobar: Beyond Narcos demolishes the standard good versus evil telling of his story. The authorities were not hunting Pablo down to stop his cocaine business. They were taking over it. Shaun Attwood's War on Drugs trilogy - Pablo Escobar, American Made, and We Are Being Lied To - is a series of harrowing, action-packed and interlinked true stories that demonstrate the catastrophic consequences of drug prohibition."

Manhunters

How We Took Down Pablo Escobar, The World's Most Wanted Criminal *Simon and Schuster*

The explosive memoir of the two legendary drug enforcement agents responsible for taking down Pablo Escobar and the subject of the hit Netflix series 'Narcos'. Javier Peña and Steve Murphy risked their lives hunting large and small drug traffickers in the decades they spent working for the US Drug Enforcement Administration. But their biggest challenge was the hunt for Pablo Escobar in Colombia. The partners, who began their careers as small-town cops, have been immortalised in Netflix's 'Narcos', a fictionalised account of their hunt for Escobar. Now, for the first time, they tell the real story of how they brought down the world's first narco-terrorist and ended the reign of terror of the world's most wanted criminal. Manhunters takes you deep inside the inner workings of the Search Bloc, the joint Colombian-US task force that resulted in an intensive 18-month operation that tracked Escobar. Between July 1992 and December 1993, Peña and Murphy lived on the edge, setting up camp in Medellín at the Carlos Holguín Military Academy. There, they lived and worked with the Colombian authorities, hunting down a man thought to be untouchable. Their terrifying first-hand experience coupled with stories from the DEA's de-classified files on the search for Escobar forms the beating heart of Manhunters, a gripping account of how two determined and courageous agents risked everything to capture the world's most wanted man. Praise for Manhunters 'A riveting account of two brave DEA Agents who put their lives, along with their families' lives, on the line to fight the war on drugs. A must read on the take down of Pablo Escobar.' Joe Pistone, a.k.a. Donnie Brasco 'A fast-paced tale by two agents who had the inside track on bringing down the most wanted man in recent US history.' Bruce Porter, New York Times bestselling author of Blow 'Steve and Javier's experience on the front lines of the war on drugs over the last thirty years made them an invaluable source of information for a narrative of one of the most complex, poorly reported, and misunderstood chapters in our recent past.' Eric Newman, Executive Producer, 'Narcos' 'Manhunters grabs you from the first page and gives you a front-row seat into the harrowing hunt for the brutal narco trafficker Pablo Escobar. Two unlikely heroes recount their stories in a way that is both

compelling and captivating.' Congresswoman Mary Bono 'A compelling read about the adventures of two true American law enforcement heroes who ultimately took on the world's first narco-terrorist, the world's most wanted criminal, the world's largest cocaine baron, Pablo Escobar, and won!' Barbara Comstock, former congresswoman

The Accountant's Story

Inside the Violent World of the Medellín Cartel *Grand Central Publishing*

"I have many scars. Some of them are physical, but many more are scars on my soul. A bomb sent to kill me while I was in a maximum security prison has made me blind, yet now I see the world more clearly than I have ever seen it before. I have lived an incredible adventure. I watched as my brother, Pablo Escobar, became the most successful criminal in history, but also a hero to many of the people of Colombia. My brother was loved and he was feared. Hundreds of thousands of people marched in his funeral procession, and certainly as many people celebrated his death." These are the words of Roberto Escobar-the top accountant for the notorious and deadly Medellín Cartel, and brother of Pablo Escobar, the most famous drug lord in history. At the height of his reign, Pablo's multibillion-dollar operation smuggled tons of cocaine each week into countries all over the world. Roberto and his ten accountants kept track of all the money. Only Pablo and Roberto knew where it was stashed-and what it bought. And the amounts of money were simply staggering. According to Roberto, it cost \$2,500 every month just to purchase the rubber bands needed to wrap the stacks of cash. The biggest problem was finding a place to store it: from secret compartments in walls and beneath swimming pools to banks and warehouses everywhere. There was so much money that Roberto would sometimes write off ten percent as "spoilage," meaning either rats had chewed up the bills or dampness had ruined the cash. Roberto writes about the incredible violence of the cartel, but he also writes of the humanitarian side of his brother. Pablo built entire towns, gave away thousands of houses, paid people's medical expenses, and built schools and hospitals. Yet he was responsible for the horrible deaths of thousands of people. In short, this is the story of a world of riches almost beyond mortal imagination, and in his own words, Roberto Escobar tells all: building a magnificent zoo at Pablo's opulent home, the brothers' many escapes into the jungles of Colombia, devising ingenious methods to smuggle tons of cocaine into the United States, bribing officials with literally millions of dollars-and building a personal army to protect the Escobar family against an array of enemies sworn to kill them. Few men in history have been more beloved-or despised-than Pablo Escobar. Now, for the first time, his story is told by the man who knew him best: his brother, Roberto.

Loving Pablo, Hating Escobar *Vintage*

Pablo Escobar was one of the most terrifying criminal minds of the last century. In the decade before his death in 1993, he reigned as the head of a multinational cocaine industry and brought the Colombian state to its knees, killing thousands of politicians, media personalities, police, and unarmed citizens. In the 1980s, Virginia Vallejo was Colombia's most famous television celebrity: a top-rated anchorwoman and a twice-divorced socialite who had been courted by the country's four

wealthiest men. In 1982, she interviewed Pablo Escobar on her news program, and soon after, they began a discreet--albeit stormy--romantic relationship. During their five-year affair, Escobar would show Vallejo the vulnerability of presidents, senators, and military leaders seeking to profit from the drug trade. From Vallejo's privileged perspective and her ability to navigate the global corridors of wealth and high society, Escobar gained the insight to master his manipulation of Colombia's powerful elite and media. Loving Pablo, Hating Escobar chronicles the birth of Colombia's drug cartels: the kidnappers, the guerilla groups, and the paramilitary organizations. It is, above everything, a great love story--a deep and painful journey through a forbidden relationship--that gives us an intimate vision of the legendary drug baron who left his mark on Colombia, Latin America, the United States, and the world forever.

Killing Pablo

The Hunt for the World's Greatest Outlaw *Grove/Atlantic, Inc.*

Killing Pablo is the story of the fifteen-month manhunt for Colombian cocaine cartel kingpin Pablo Escobar, whose escape from his lavish, mansionlike jail drove a nation to the brink of chaos. In a gripping, up-close account, acclaimed journalist Mark Bowden exposes the never-before-revealed details of how U.S. military and intelligence operatives covertly led the mission to find and kill the world's most dangerous outlaw. Drawing on unprecedented access to the soldiers, field agents, and officials involved in the chase, as well as hundreds of pages of top-secret documents and transcripts of Escobar's intercepted phone conversations, Bowden creates a narrative that reads as if it were torn from the pages of a Tom Clancy technothriller. Killing Pablo also tells the story of Escobar's rise, how he built a criminal organization that would hold an entire nation hostage -- and the stories of the intrepid men who would ultimately bring him down. There is Steve Jacoby, the leader of Centra Spike, the ultrasecret U.S. special forces team that would use cutting-edge surveillance technology to find one man among a nation of 37 million. There is Morris Busby, U.S. ambassador to Colombia, who would convince the Bush administration to approve the deployment of the shadowy Delta Force operators who would be the key to the drug lord's demise. And there is Escobar's archenemy, Col. Hugo Martinez, the leader of Colombia's federal police, who would turn down a \$6 million bribe, survive countless attempts on his life, and endure a humiliating exile while waging his battle against the drug lord's criminal empire. It was Martinez's son, raised in the shadow of constant threat from Escobar's followers, who would ultimately track the fugitive to a Bogota rooftop on the fateful day in 1993 when the outlaw would finally meet his end. Action-packed and unputdownable, Killing Pablo is a tour de force of narrative journalism and a stark portrayal of rough justice in the real world.

Hunting El Chapo**The Inside Story of the American Lawman Who Captured the World's Most-Wanted Drug Lord** *HarperCollins*

A blend of Manhunt, Killing Pablo, and Zero Dark Thirty, Andrew Hogan and Douglas Century's sensational investigative high-tech thriller—soon to be a major motion picture from Sony—chronicles a riveting chapter in the twentieth-century drug wars: the exclusive inside story of the American lawman and his dangerous eight-year hunt that captured El Chapo—the world's most wanted drug kingpin who evaded the law for more than a decade. Every generation has a larger-than-life criminal: Jesse James, Billy the Kid, John Dillinger, Al Capone, John Gotti, Pablo Escobar. But each of these notorious lawbreakers had a "white hat" in pursuit: Wyatt Earp, Pat Garrett, Eliot Ness, Steve Murphy. For notorious drug lord Joaquín Archivaldo Guzmán-Loera—El Chapo—that lawman is former Drug Enforcement Administration Special Agent Andrew Hogan. In 2006, fresh out of the D.E.A. Academy, Hogan heads west to Arizona where he immediately plunges into a series of gripping undercover adventures, all unknowingly placing him on the trail of Guzmán, the leader of the Sinaloa Cartel, a Forbes billionaire and Public Enemy No. 1 in the United States. Six years later, as head of the D.E.A.'s Sinaloa Cartel desk in Mexico City, Hogan finds his life and Chapo's are ironically, on parallel paths: they're both obsessed with the details. In a recasting of the classic American Western on the global stage, Hunting El Chapo takes us on Hogan's quest to achieve the seemingly impossible, from infiltrating El Chapo's inner circle to leading a white-knuckle manhunt with an elite brigade of trusted Mexican Marines—racing door-to-door through the cartel's stronghold and ultimately bringing the elusive and murderous king-pin to justice. This cinematic crime story following the relentless investigative work of Hogan and his team unfolds at breakneck speed, taking the reader behind the scenes of one of the most sophisticated and dangerous counter-narcotics operations in the history of the United States and Mexico.

El Chapo

The Untold Story of the World's Most Infamous Drug Lord *Simon and Schuster*
A stunning investigation of the life and legend of Mexican kingpin Joaquín Archivaldo “El Chapo” Guzmán Loera, building on Noah Hurowitz’s revelatory coverage for Rolling Stone of El Chapo’s federal drug-trafficking trial. This is the true story of how El Chapo built the world’s wealthiest and most powerful drug-trafficking operation, based on months’ worth of trial testimony and dozens of interviews with cartel gunmen, Mexican journalists and political figures, Chapo’s family members, and the DEA agents who brought him down. Over the course of three decades, El Chapo was responsible for smuggling hundreds of tons of cocaine, marijuana, heroin, meth, and fentanyl around the world, becoming in the process the most celebrated and reviled drug lord since Pablo Escobar. El Chapo waged ruthless wars against his rivals and former allies, plunging vast areas of Mexico into unprecedented levels of violence, even as many in his home state of Sinaloa continued to view him as a hero. This unputdownable book, written by a great new talent, brings El Chapo’s exploits into a focus that previous profiles have failed to capture. Hurowitz digs in deep beyond the legends and delves into El Chapo’s life and legacy—not just the hunt for him, revealing some of the most dramatic and often horrifying moments of his notorious career, including the infamous prison escapes, brutal murders, multi-million-dollar government payoffs, and the paranoia and narcissism that led to his downfall. From the evolution of organized crime in Mexico to the militarization of the drug war to the devastation wrought on both sides of the border by the introduction of synthetic opioids like fentanyl, this book is a gripping and comprehensive work of investigative, on-the-ground reporting.

Marijuana Boom

The Rise and Fall of Colombia's First Drug Paradise *University of California Press*

How did Colombia become central to the creation of an international drug trafficking circuit? Marijuana Boom is the story of this forgotten history. The true life of Pablo Escobar

Blood, betrayal and death *Ediciones y Distribuciones Dipon Ltda.*

"Hello beautiful. I am Popeye." In 1998 I met Jhon Jairo Velásquez Vásquez—alias "Popeye"—lieutenant to the Medellín Cartel's leader, Pablo Escobar Gaviria. Our first encounter was at the high security yard of the Modelo Prison in Bogotá, Colombia. I visited the prison frequently as a journalist for RCN TV. I was always conducting interviews and speaking to the inmates, uncovering news about what was really happening inside the prison. At that time, stories about confrontations between guerrilla and paramilitary factions were everyday news. You could often hear shots inside the prison as the different sides fought for control. I had always wanted to meet one of the members of the Medellín Cartel. I was curious to know who they were, what they looked like, and what these men, who belonged to the most powerful drug cartel that has ever existed in Colombia, were thinking. At the high security yard I was able to talk with two of them. The most notorious was Jhon Jairo Velásquez Vásquez. "Hello beautiful. I am Popeye." The man who sat in front of me stared at me. His pale skin reflected the six years he had been in prison; in fact, it looked as if he had never once stepped outside. Popeye smiled at me with curiosity while his cold eyes examined me from head to toe. We were introduced by another inmate, Ángel Gaitán Mahecha, a man accused of paramilitarism and homicide. My first impression was surprise and curiosity; I also examined him from head to toe. He wasn't quite six feet tall. His slim body and the smile on his face almost put me at ease. I thought this man couldn't possibly frighten anyone, and yet I couldn't forget the number of homicides in which he had been involved. I wanted to see into the mind of the man who planned and participated in the most horrible homicides that the cartel had carried out in their war against the state.

Whitey

The Life of America's Most Notorious Mob Boss *Crown*

From the bestselling authors of *Black Mass* comes the definitive biography of Whitey Bulger, the most brutal and sadistic crime boss since Al Capone. Drawing on a trove of sealed files and previously classified material, Whitey digs deep into the mind of James J. "Whitey" Bulger, the crime boss and killer who brought the FBI to its knees. He is an American original --a psychopath who

fostered a following with a frightening mix of terror, deadly intimidation and the deft touch of a politician who often helped a family in need meet their monthly rent. But the history shows that despite the early false myths portraying him as a Robin Hood figure, Whitey was a supreme narcissist, and everything--every interaction with family and his politician brother Bill Bulger, with underworld cohorts, with law enforcement, with his South Boston neighbors, and with his victims--was always about him. In an Irish-American neighborhood where loyalty has always been rule one, the Bulger brand was loyalty to oneself. Whitey deconstructs Bulger's insatiable hunger for power and control. Building on their years of reporting and uncovering new Bulger family records, letters and prison files, Dick Lehr and Gerard O'Neill examine and reveal the factors and forces that created the monster. It's a deeply rendered portrait of evil that spans nearly a century, taking Whitey from the streets of his boyhood Southie in the 1940s to his cell in Alcatraz in the 1950s to his cunning, corrupt pact with the FBI in the 1970s and, finally, to Santa Monica, California where for fifteen years he was hiding in plain sight as one of the FBI's Ten Most Wanted. In a lifetime of crime and murder that ended with his arrest in June 2011, Whitey Bulger became one of the most powerful and deadly crime bosses of the twentieth century. This is his story.

Narconomics

From creating brand value to fine-tuning customer service, the folks running cartels have been attentive students of the strategy and tactics used by corporations such as Walmart, McDonald's, and Coca-Cola. And what can government learn to combat this scourge? By analyzing the cartels as companies, law enforcers might better understand how they work—and stop throwing away 100 billion a year in a futile effort to win the “war” against this global, highly organized business. Your intrepid guide to the most exotic and brutal industry on earth is Tom Wainwright. Picking his way through Andean cocaine fields, Central American prisons, Colorado pot shops, and the online drug dens of the Dark Web, Wainwright provides a fresh, innovative look into the drug trade and its 250 million customers. The cast of characters includes “Bin Laden,” the Bolivian coca guide; “Old Lin,” the Salvadoran gang leader; “Starboy,” the millionaire New Zealand pill maker; and a cozy Mexican grandmother who cooks blueberry pancakes while plotting murder. Along with presidents, cops, and teenage hitmen, they explain such matters as the business purpose for head-to-toe tattoos, how gangs decide whether to compete or collude, and why cartels care a surprising amount about corporate social responsibility. More than just an investigation of how drug cartels do business, *Narconomics* is also a blueprint for how to defeat them.
