Dillon Cooper was shocked to find the bloodied, exhausted girl huddled in his house—but when the teenager and his family heard her story they provided refuge, reuniting her with her loved ones. Cate's ordeal, though, was far from over. First came the discovery of a shocking betrayal that would send someone she'd trusted to

prison. Then there were years spent away in western Ireland, peaceful and protected but with restlessness growing in her soul. Finally, she would return to Los Angeles, gathering the courage to act again and get past the trauma that had derailed her life. She has never been to the local village and spends her days absorbed in the rhythms of the natural world around her, escaping the brutality and squalor of her family home through the newspapers and books passed down to her from the main house and through her walks in the nearby mountains. Persomi's close relationship with her older brother Gerbrand and her fragile friendship with Boelie Fourie—heir to the Fourie farm and fortune—are her lifeline and her only connection to the outside world. When Gerbrand leaves the farm to fight on the side of the Anglos in WWII and Boelie joins an underground network of Boer nationalists, Persomi's isolated world is blown wide open. But as her very small world falls apart, bigger dreams become open to her—dreams of an education, a profession, a native country that values justice and equality, and of love. As Persomi navigates the changing world around her—the tragedies of war and the devastating racial strife of her homeland—she finally discovers who she truly is, where she belongs, and why her life—and every life—matters. The Unlikely Disciple

A Sinner's Semester at America's Holiest University *Grand Central Publishing*

The hilarious and heartwarming, respectful and thought-provoking memoir of a college student's semester at Liberty University, the "Bible Boot Camp" for young evangelicals, that will inspire believers and nonbelievers alike. No drinking. No smoking.

No cursing. No dancing. No R-rated movies. Kevin Roose wasn't used to rules like these. As a sophomore at Brown University, he spent his days fitting right in with Brown's free-spirited, ultra-liberal student body. But when Roose leaves his Ivy League confines to spend a semester at Liberty University, a conservative Baptist school in Lynchburg, Virginia, obedience is no longer optional. Liberty is the late Reverend Jerry Falwell's "Bible Boot Camp" for young evangelicals, his training ground for the next generation of America's Religious Right. Liberty's ten thousand undergraduates take courses like Evangelism 101 and follow a forty-six-page code of conduct that regulates every aspect of their social lives. Hoping to connect with his evangelical peers, Roose decides to enroll at Liberty as a new transfer student, chronicling his adventures in this daring report from the front lines of America's culture war. His journey takes him from an evangelical hip-hop concert to a spring break mission trip to Daytona Beach (where he learns to preach the gospel to partying coeds). He meets pastors' kids, closet doubters, Christian rebels, and conducts what would be the last print interview of Rev. Falwell's life.

Across the Winding River *Lake Union Publishing*

A woman unlocks the mystery of her father's wartime past in a moving novel about secrets, sacrifice, and the power of love by the bestselling author of *Daughters of the Night Sky*. Beth Cohen wants to make the most of the months she has left with her elderly father, Max. His only request of his daughter is to go through the long-forgotten box of memorabilia from his days as a medic on the western front. Then, among his wartime souvenirs, Beth finds a photograph of her father with an adoring and beautiful stranger--a photograph worth a thousand questions. It was 1944 when Max was drawn into the underground resistance by the fearless German wife of a Nazi officer. Together, she and Max were willing to risk everything for what they believed was right. Ahead of them lay a dangerous romance, a dream of escape, and a destiny over which neither had control. But Max isn't alone in his haunting remembrances of war. In a nearby private care home is a fragile German-born woman with her own past to share. Only when the two women meet does Beth realize how much more to her father there is to know, all the ways in which his heart still breaks, and the closure he needs to heal it.
