With over 40 works by 17 artists, Beyond Realism explores the two principal forms of Surrealist work. The first form is unpremeditated art that relies upon chance effects such as random mark-making and scraping – the type of work practiced by artists like Joan Miró (1893-1983). The second form is the creation of apparently irrational images that occurred to the mind, particularly in dreams, in a realistic style.

Realism is one of the dominant schools of thought in international relations theory, theoretically formalising the Realpolitik statesmanship of early modern Europe. Although a highly diverse body of thought, it is unified by the belief that world politics is always and necessarily a field of conflict among actors pursuing power.

Realism (international relations) - Wikipedia

Ranging over a period of more than a century, the essays in Beyond Realism focus on theatre that has challenged what came to be perceived as the dominance of realism in Irish drama. The contributors demonstrate that, in the first half of the twentieth

century, playwrights such as George Fitzmaurice, Sean O'Casey, and Jack B. Yeats produced unconventional theatre that challenged the norm of realism; they show that Irish dramatists since the 1980s, including Thomas Kilroy, Vincent Woods, and ...
