### Points Of View An Anthology

Points of View is an anthology, so, um,  
 lots of people wrote it. It features some  
 of the greatest, sharpest gems of short  
 fiction from the first six decades of the  
 20th century, and some older stuff as  
 well. As far as I know, these are the  
 people who made short fiction what it is.  
 I mean these folks are the serious  
 heavyweights.
