The Irresistible Rise of Harry Potter by Andrew Blake

An orphan, oppressed and abused by the adults around him, he retreats into a fantasy world where his problems are more elemental: everyday rituals, magic spells and supercharged broomsticks with only the occasional homicidal wizard to worry about. Ironically, as Andrew Blake makes clear, J.K. Rowling rescues her character through the reinvention of that apex of class privilege, the English public school, a literary conceit that problematises Harry

Potter's status as a role model and raises ...

The irresistible rise of Harry Potter : Blake, Andrew ...

The Irresistible Rise of Harry Potter Book Summary : Blake's examination of the Potter phenomenon raises serious questions about the condition of the publishing industry, filmmaking, and the ways in which the Potter consumer campaign has changed ideas about literature and reading.

The Irresistible Rise of Harry Potter: Kid- Lit in a ...

Andrew Blake argues
here that the Harry
Potter phenomenon is
a response to the
decline of British power
and of the publishing
industry. Blake sees
Harry as a symbol of
"retrolution," a
nostalgic view of the
past transplanted into
the present. As to the
reasons for Harry's
popularity, I don't find
Blake's thesis wildly
convincing.

The irresistible rise of Peter Crouch falls short with ...

I would rate this as a tie for the most interesting book on this phenomenon of those I have read so far. This book looks at the cultural and political timing that seems to have made Harry the irresistible darling of the literacy efforts in the UK and since in many respects those things are duplicated in the US, voila, Harry is irresistible there also.
