Your God is Too Safe

Rediscovering the Wonder of a God You Can't Control *Multnomah*
 Here's a thoughtful, probing exploration

of why Christians get stuck in the place of complacency, dryness, and tedium -- and how to move on to new levels of spiritual passion! Buchanan shows how the majority of Christians begin their spiritual journey with excitement and enthusiasm -- only to get bogged down in a "borderland" -- an in-between space beyond the "old life" but short of the abundant, adventurous existence promised by Jesus. Citing Jonah, he examines the problem of "borderland living" -- where doubt, disappointment, guilt, and wonderlessness keep people in a quagmire of mediocrity -- then offers solutions ... effective ways to get unstuck and move into a bold, unpredictable, exhilarating walk with Christ. Inspired writing!

Not God Enough

Why Your Small God Leads to Big Problems *Zondervan*

Your God is too small. We like God small. We prefer a God who is safe, domesticated, who thinks like we think, likes what we like, and whom we can manage, predict, and control. A small God is convenient. Practical. Manageable. The truth: God is big. Bigger than big. Bigger than all the words we use to say big. Ironically, many today seem turned off by the concept of an awesome, terrifyingly great God. We assume that a God you would need to fear is guilty of some kind of fault. For us, thinking of God as so infinitely greater and wiser than we are and who would cause us to tremble in his presence is a leftover relic from an oppressive, archaic view of religion. But what if this small version of God we've created is holding us back from the greatest experience of our lives—from genuine, confident, world-transforming

faith? In *Not God Enough*, J.D. reveals how to discover a God who: is big enough to handle your questions, doubts, and fears is not silent is worthy of worship wants to take you from boring to bold in your faith has a purpose and mission for you on earth is pursuing you right now God is not just a slightly better, slightly smarter version of you. God is infinite and glorious, and an encounter with Him won't just change the way you think about your faith. It'll change your entire life.

Reformed Reader *Presbyterian Publishing Corp*

This volume demonstrates a central conviction of the Reformed tradition--that theology must honor the historic witness of the church as catholic while being faithful to the new tasks of the present-day church. It offers selections from Reformed theology, creeds, confessions, and church documents of the nineteenth and twentieth centuries.

Their God Is Too Small

Open Theism and the Undermining of Confidence in God *Crossway*

Can you trust a "God" who can't know the future? A new theology is trickling down from the lofty halls of academia to the pews of evangelical churches. Called open theism, this novel view of God denies that he fully knows the future and insists that he takes risks by giving humans wide-ranging freedom. This view has disastrous consequences for the everyday faith of ordinary Christians, consequences you can't afford to ignore. *Their God Is Too Small* explains some of the beliefs of open theism and shows their practical implications. Using biblical truth and personal anecdotes, Bruce Ware demonstrates how open theism

undermines trust in God for everyday life, particularly in the midst of suffering. This is no dry academic discourse; if you care about God's glory and your confidence in him, then this book is for you because it concerns the everyday issues of faith. "With unassailable logic, compelling exposition, and captivating real-life implications, Ware convincingly demonstrates the theological barrenness of open theism by exposing its major biblical deficiencies." --John F. MacArthur, Jr., Pastor-Teacher, Grace Community Church in Sun Valley, California "Open theism supports its reducing of God's sovereignty by denying his full knowledge of the future. If any doubt remains as to whether this falls short of the Bible's teaching and waters down Christian faith and hope, Bruce Ware's pastoral reasoning will surely dispel it." --J. I. Packer, Professor of Theology, Regent College "Their God Is Too Small effectively exposes the diminished God of open theism, and in so doing provides pastors with a powerful tool to foster genuine faith in the sovereign, wise, and trustworthy God of the Bible." --C. J. Mahaney, Senior Pastor, Covenant Life Church, Gaithersburg, Maryland "Confusion about God inevitably leads to confusion about life. Thankfully, Bruce Ware keeps our heads and hearts on track toward an accurate knowledge of God against the backdrop of prevalent distortions." --Joseph M. Stowell, President, Moody Bible Institute

New Testament Christianity *Wipf and Stock Publishers*

About the Contributor(s): John Bertram Phillips (1906-1982) was a Bible translator, writer, and clergyman. His work translating the New Testament made him one of Britain's most famous

Bible communicators. He talked of the revelation received as he translated the New Testament, describing it as ""extraordinarily alive""--unlike any experience he had had with non-scriptural ancient texts. He referred to Scripture speaking to his condition in an ""uncanny way."" Phillips was a masterful apologist and defender of the Christian faith. He upheld the basic tenets of the faith, and was able to present them as fresh to the modern reader and hearer, much as he had done with his translation of the New Testament.

Making Men Whole *Wipf and Stock Publishers*

About the Contributor(s): John Bertram Phillips (1906-1982) was a Bible translator, writer, and clergyman. His work translating the New Testament made him one of Britain's most famous Bible communicators. He talked of the revelation received as he translated the New Testament, describing it as ""extraordinarily alive""--unlike any experience he had had with non-scriptural ancient texts. He referred to Scripture speaking to his condition in an ""uncanny way."" Phillips was a masterful apologist and defender of the Christian faith. He upheld the basic tenets of the faith, and was able to present them as fresh to the modern reader and hearer, much as he had done with his translation of the New Testament.

Good News

Thoughts on God and Man *Wipf and Stock Publishers*

Your Church Is Too Small

Why Unity in Christ's Mission Is Vital to the Future of the Church *Zondervan*

"I pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you." Too often, these words of Jesus from John 17:20-21 seem like an unreachable ideal. But in *Your Church Is Too Small*, John Armstrong shows that Jesus' vision of Christian unity is for all God's people across social, cultural, racial, and denominational lines. "With attention to his own pilgrimage and growth in ecclesial awareness, John Armstrong explores here the evangelical heart and ecumenical breadth of churchly Christianity. I am encouraged by his explorations and commend this study to all believers who pray and labor for the unity for which our Savior prayed." – Timothy George, senior editor, *Christianity Today*. "Dr. Armstrong's irenic approach should make it easy for Christians—whether Catholic, Orthodox,

or Protestant—to engage the challenging thesis of the book, while recognizing that there remain points of doctrine between them which will require further clarification. Anyone concerned about either evangelism or Christian unity should read this book, and take seriously its call for both mission and ecumenism.” – Fr. Thomas A. Baima, Provost, University of Saint Mary of the Lake
 John Armstrong is one of those Evangelical theologians—may their tribe increase and the valley abound with their tents—who know that full obedience to Christ embraces the historical transmission through which we know him. This book refuses to scale down the bearer of that tradition—the historical church, that is—or reduce the authority of its voice. – Fr. Patrick Henry Reardon, senior editor, Touchstone “It's a must for anyone who has grown weary with Christian divisiveness and schism and longs to discover ways of strengthening the bonds that unite us in the Spirit of Christ.” – Chuck Colson

Strength for the Weary

Life is not easy. Its many trials often leave us wondering how we can press on in a fallen world. When we receive fresh wounds before old ones heal, we often are tempted to despair. We share this experience with the ancient people of God, and we can also share in the profound comfort God offered them. In the final chapters of Isaiah, the prophet presents a significant set of encouragements for the people of God as they journey through a world filled with trials and sorrow. In *Strength for the Weary*, Dr. Derek W.H. Thomas explores the final chapters of Isaiah, laying out the remarkable promises that God makes to His people. In these pages, there is consolation in the struggles of

this life and encouragement for the road ahead. The God of Comfort has promised to be with His people always.

Your God Is Too Boring

Some say, Catholicism is outdated. It's behind the times. It's boring. They've forgotten our story. It's time to rediscover that there is genius in Catholicism. Christianity has captivated the world for more than two thousand years. Look a little closer, and you'll see that it is the most dangerous and exciting thing on earth. Catholicism is a game changer. This book looks at the big picture of who God is, what he has revealed to us, and how that will radically impact our lives if we let it.

Ring of Truth

A Translator's Testimony *Shaw Books*

A Translator's Testimony. J.B. Phillips says- "I have felt compelled to write this book. IT is my testimony to the historicity and reliability of the New Testament. "Few people have had such a close and constant contact with the New Testament as I have had. Even fewer have taken the trouble to understand the business of 'communication.' I say this in no spirit of conceit; it is a matter of simple fact. I therefore felt that it was high time that someone, who has spent the best years of his life in studying both the New Testament and good modern communicative English, spoke out. I do not care a rap what the 'avant-garde' scholars say; I do very much care what God says and does." from the Forward, RING OF TRUTH

When People Are Big and God Is Small

Overcoming Peer Pressure,

Codependency, and the Fear of Man *P & R Publishing*

Overly concerned about what people think of you? Welch uncovers the spiritual dimension of people-pleasing and points the way through a true knowledge of God, ourselves, and others. - Publisher.

God is Closer Than You Think

If God is Always with Us, why is He So Hard to Find? : Participant's Guide *Zondervan*

"In this six-session video curriculum, award-winning author John Ortberg serves as guide and interpretive leader for experiencing the presence of God in everyday life. With his engaging and humorous style, Ortberg transforms our view of God's presence from one that may seem hidden or distant to one that is closer than you think. The curriculum kit is designed for churches to use as a spiritual growth campaign""--publisher's website.

The Real God

How He Longs for You to See Him *Baker Books*

See God for Who He Is, Not What You Think He Ought To Be Anyone who has tried to describe God to someone else, especially an unbeliever, knows that it is easy to find yourself at a loss for words. It seems that this part of our lives, which we claim is central, is often difficult to put into words. But if you know God, shouldn't you be able to describe him? What is he like? How can we put his eternal attributes into words? Join Chip Ingram in this fascinating study of seven attributes of God: his goodness, sovereignty, holiness, wisdom, justice, love, and faithfulness. Readers will see

God in a whole new light and discover that our view of God impacts every decision in our lives. It will change the way we pray, the way we live, and the way we think about the world around us. God longs for us to know him as he really is. Get ready to meet God again for the first time.

God Is Not Great

How Religion Poisons Everything *McClelland & Stewart*

Christopher Hitchens, described in the London Observer as "one of the most prolific, as well as brilliant, journalists of our time" takes on his biggest subject yet--the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

The Newborn Christian

114 Readings from J.B. Phillips *Macmillan Publishing Company*

Anthologizes one hundred selections from Phillips's *Appointment with God*, *Ring of Truth*, *Plain Christianity*, *Your God is Too Small*, and *For This Day*, covering topics that emphasize the

beliefs and faith of Christianity's firstborn and the authenticity oft

The Purpose Driven Life

What on Earth Am I Here For? *Zondervan*

The New York Times #1 bestselling book by Pastor Rick Warren that helps you understand and live out the purpose of your life. Before you were born, God already planned your life. God longs for you to discover the life he uniquely created you to live--here on earth, and forever in eternity. Let The Purpose Driven Life show you how. As one of the bestselling nonfiction books in history, with more than 35 million copies sold, The Purpose Driven Life is far more than just a book; it's the road map for your spiritual journey. A journey that will transform your life. Designed to be read in 42 days, each chapter provides a daily meditation and practical steps to help you discover and live out your purpose, starting with exploring three of life's most pressing questions: The Question of Existence: Why am I alive? The Question of Significance: Does my life matter? The Question of Purpose: What on earth am I here for? The book also includes links to 3-minute video introductions and a 30- to 40-minute audio Bible study message for each chapter. Plus questions for further study and additional resources. The Purpose Driven Life is available in audiobook, ebook, softcover, and hardcover editions. Also available: The Purpose Driven Life video study and study guide, journal, devotional, book for kids, book for churches, Spanish edition, Large Print edition, and more.

Science, Religion, and the Protestant Tradition

Retracing the Origins of Conflict *University of Pittsburgh Press*

The story of the "conflict thesis" between science and religion—the notion of perennial conflict or warfare between the two—is part of our modern self-understanding. As the story goes, John William Draper (1811–1882) and Andrew Dickson White (1832–1918) constructed dramatic narratives in the nineteenth century that cast religion as the relentless enemy of scientific progress. And yet, despite its resilience in popular culture, historians today have largely debunked the conflict thesis. Unravelling its origins, James Ungureanu argues that Draper and White actually hoped their narratives would preserve religious belief. For them, science was ultimately a scapegoat for a much larger and more important argument dating back to the Protestant Reformation, where one theological tradition was pitted against another—a more progressive, liberal, and diffusive Christianity against a more traditional, conservative, and orthodox Christianity. By the mid-nineteenth century, narratives of conflict between "science and religion" were largely deployed between contending theological schools of thought. However, these narratives were later appropriated by secularists, freethinkers, and atheists as weapons against all religion. By revisiting its origins, development, and popularization, Ungureanu ultimately reveals that the "conflict thesis" was just one of the many unintended consequences of the Protestant Reformation.

"The Kingdom of God is Within You"

Christianity Not as a Mystic Religion But as a New Theory of Life

Your God Is Too Small

A Guide for Believers and Skeptics Alike *Simon and Schuster*

This forty-year-old Christian classic and bestseller is a study group favorite; this book challenges readers' conventional views about God and encourages them to search for a meaningful redefinition of a higher power that is relevant to contemporary existence. *Your God Is Too Small* is a groundbreaking work of faith, which challenges the constraints of traditional religion. In his discussion of God, author J.B. Phillips encourages Christians to redefine their understanding of a creator without labels or earthly constraints and instead search for a meaningful concept of God. Phillips explains that the trouble facing many of us today is that we have not found a God big enough for our modern needs. In a world where our experience of life has grown in myriad directions and our mental horizons have been expanded to the point of bewilderment by world events and scientific discoveries, our ideas of God have remained largely static. This inspirational work tackles tough topics and inspires readers to reevaluate and connect more deeply with a God that is relevant to current experience and big enough to command respect and admiration.

The Rest of God

Restoring Your Soul by Restoring Sabbath *Thomas Nelson*

Widely-acclaimed author Mark Buchanan states that what we've really lost is "the rest of God-the rest God bestows and, with it, that part of Himself we can know only through stillness." Stillness as a virtue is a foreign concept in our society, but there is wisdom in God's own rhythm

of work and rest. Jesus practiced Sabbath among those who had turned it into a dismal thing, a day for murmuring and finger-wagging, and He reminded them of the day's true purpose: liberation-to heal, to feed, to rescue, to celebrate, to lavish and relish life abundant. With this book, Buchanan reminds us of this and gives practical advice for restoring the sabbath in our lives.

The God of Small Things

A Novel *Vintage Canada*

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* **NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER** Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

Love Your God with All Your Mind

The Role of Reason in the Life of the Soul *Tyndale House*

We know that faith means "being sure of what we hope for and certain of what we do not see" (Hebrews 11:1, NIV). Love

Your God with All Your Mind explains the importance of using your mind not only to win others to Christ but also to experience personal spiritual growth. Author J. P. Moreland challenges you to use logic and reason to further God's kingdom through evangelism, apologetics, worship, and vocation. This revised edition includes expanded appendixes and three new chapters that outline how to reason for the reality of God and the historicity of Jesus' life teachings, death, and resurrection.

In a Pit with a Lion on a Snowy Day

How to Survive and Thrive When Opportunity Roars *Multnomah Books*
"Featuring all-new bonus material!"--Cover.

God Our Contemporary *Franklin Classics*

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Glory of Christ *P & R Publishing*

Focuses on moments in Jesus' life when his glory burst forth and was displayed to those around him, when his humiliation gave way to exaltation.

God Is Amazing

Everything Changes When You See God for Who He Really Is *Shiloh Run Press*

Bogged down with the burdens of life? Maybe you need a new view of God?the awesome, powerful, mysterious God, who is, quite frankly, amazing.

How Big Is Your God?

The Freedom to Experience the Divine *Loyola Press*

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God? In *How Big Is Your God?* Paul Coutinho, SJ, challenges us to grow stronger and deeper in our faith and in our relationship with God—a God whose love knows no bounds. To help us on our way, Coutinho introduces us to people in various world religions—from Hindu friends to Buddhist teachers to St. Ignatius of Loyola—who have shaped his spiritual life and made possible his deep, personal relationship with God.

Your God is Too Glorious

Finding God in the Most Unexpected Places

Go the Fk to Sleep** *Open Road Media*
The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go?"

The f**k to sleep.” Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don’t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won’t care.

Ask a Manager

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work

Ballantine Books

From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is

making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Your Church Is Too Safe

Why Following Christ Turns the World Upside-Down *Zondervan*

“These men who have turned the world upside down have come here also.” That was the startled cry, circa 50 AD, from a hastily assembled mob in Thessalonica. These men who have turned the world upside: their description of Paul and Silas. Holy vandals on the loose,

anointed marauders running amok, men out ransacking Roman cities with the gospel. You'd think they were heralding the arrival of Barbarian hordes, fierce Berserkers descending on poorly fortified villages, not two hungry men with no more than a fire in their bellies and a wildness in their eyes. These were just two ordinary men. But, as Paul says to the Corinthians, he was a man who preached "with a demonstration of the Spirit's power," a man whose weapons were not of the world but had "divine power to demolish strongholds." Two simple, ordinary men, walking in the power of God. A whole town in uproar because of them. It's been a while since we've seen the likes of this. Your Church Is Too Safe is an ebook based on a simple idea: that God meant his church to be both good news and bad news, an aroma and a stench – a disruptive force to whoever or whatever opposes the Kingdom of God, and a healing and liberating power to those who seek it. That the church has not always lived this mandate is well-documented. That the church needs to recover this mandate is much touted. Your Church Is Too Safe is a plea, a celebration, and a manifesto. It's an attempt to call the church to be the church. It is a tribute to the many churches that seek to be this. And it is a roadmap to become this. Above all, Your Church Is Too Safe is a biblical reflection and exhortation on why we should be this. Its main narrative is rooted in the story of how the early church, for all her failings and heresies and squabbles, managed to turn the world upside down. And its principal claim is that the modern church, for all her failings and heresies and squabbles, has every advantage they had, and maybe more, and faces no more challenges than they did, and maybe fewer.

Not Yet Married

The Pursuit of Joy in Singleness and Dating *Crossway*

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Teach Me To Feel

Worshipping Through the Psalms in Every Season of Life *The Good Book Company*

Sums up the victory of the cross in four words and explores what that means for us. Freedom, forgiveness, justice, and purpose. We long for them in our lives and in the world. The cross delivers them! Yet sometimes we are so familiar with the cross that it loses its impact on us. We forget that Jesus' death on the cross and his resurrection are the most important events in human history and our lives. The cross is the fulfillment of God's salvation plan, promised from the dawn of time. It is central to the Bible, central to our faith, and central to the meaning and purpose of our lives. This

foundational book looks at passages from both the Old and New Testaments to sum up the victory of the cross in four words: freedom, forgiveness, justice, and purpose, and what that means for us personally. Marvel at the cross afresh and be moved to love and serve the Lord Jesus with renewed zeal and joy. This short yet profound book is a very useful discipleship tool. It can be read individually, in pairs, or in small groups.

A Public Faith

How Followers of Christ Should Serve the Common Good *Brazos Press*

An intellectual and applied Christian engagement with what it really means to flourish as human beings in relationship to God and one another.

God Is in the Small Stuff *Barbour Publishing*

Bruce and Stan's newest book encourages readers not to disregard the minor, insignificant things in life. Rather, "God Is in the Small Stuff..." encourages a better understanding of God's infinite character, reminding readers that He is a personal and intimate God, involved in every detail of their lives, however minute. "God Is In the Small Stuff...and it all matters" contains 40 chapters, with titles such as "Remember that God Loves You," "Discipline Yourself (No One Else Will)," and "Contentment Won't Kill You." Each chapter includes an introductory commentary in the tongue-in-cheek Bruce & Stan style, followed by

bits of pithy and sometimes humorous wisdom.

The Confessions of S. Augustine

Lies We Believe About God *Simon and Schuster*

From the author of the bestselling novel *The Shack* and the New York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God's love. Now, in Wm. Paul Young's first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we've presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the "Papa" portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God's deep and abiding love.
