200 hp Evinrude 1992-2005. This 60 degree design that came out in 1992 has proven over time to be a very reliable and economical outboard. It is very light for its horse power. It is equipped with an optical ignition system that has had fewer problems then many of the other ignitions systems. We found that the few failures with this class of outboards are due to fuel contamination or oil ...
