iPad User Guide - Apple Support

A user guide, also commonly called a technical communication document or manual, is intended to give assistance to people using a particular system. It is usually written by a technical writer, although user guides are written by programmers, product or project managers, or other technical staff, particularly in smaller companies. User guides are most commonly associated with electronic goods, computer hardware and software, although they can be written for any product. Most user guides contain

User guide - Wikipedia

It's free, but it can be a little challenging for novice users, so here's a starter guide. If you're helping someone else to set up Skype for the first time, the softly, softly approach is best.
