Teacher Record Book 2020/2021

Teaching Professional Attitudes And Basic

The attitude towards a teaching profession shows the personality of the teacher. Teachers with positive attitude try their best and achieve the goal. On the other hand, teachers with the negative attitude are frustrated and are dissatisfied in their profession. A person with desirable attitude will easily adjust to the job and produce good results.

How to DJ: Skills, Attitudes and Basic Mixing Techniques This article was originally writting in December 2000 and deals with the problem of playing live. It argues that using MP3's ain't that bad (at that time this was still a big 'no-no' for part organizers) and allthough the article starts to feel old, we leave it here as a 'blast from the past'.

Teaching and Teacher Education | Journal | ScienceDirect ...

Conclusion: The introduction of surgical skills teaching to the undergraduate medical curriculum has a positive impact on students' attitudes towards surgery and accelerates basic technical skills development. Consideration should be given to development of a standardised undergraduate core curriculum in basic surgical skills teaching.
