The American Association of Social Workers (AASW), organized in 1921, attempted to represent all social workers, but specialized practitioner organizations existed for medical social workers (organized in 1918), school social workers (1919), psychiatric social workers (1926), group workers (1936), community organizers (1946), and researchers (1949). Several inter-organizational committees met during the early 1950s to develop an agreement for a single social work practitioner organization.
