"It is part of the folklore of the construction industry that there exists a mythical beast, 'the Letter of Intent', the legal effect of which, if it is acted upon, is that it entitles a contractor to payment for what he does, but does not expose him to any risk because it imposes no contractual obligations upon him... in fact the legal effect of a letter of intent depends upon the true construction of the communications between the parties and the effect, if any, of their actions ...

Letters of intent - what you need to know | Hardwicke

A letter of intent is a document expressing an intention to enter into a contract at a future date but creates no contractual relationship until that future contract has been entered into. A letter of intent is not an ' agreement to agree'. It is important to bear in mind that ' letter of intent ' is a term of commercial convenience and not a term having a substantive legal meaning, as for example 'subject to contract '.
