The Sub A Study In

What is a sub-study? A sub-study is a detailed investigation into a research question not addressed by the principal trial. It is usually undertaken in a sub-group or sub-population of all participants in the principal trial and it may involve additional measurements or data collection. ASPREE is in a unique position to offer the opportunity for participants to enrol in additional sub-studies, each researching specific health issues, such as age-related hearing loss.
