Training at The Cheesecake Factory is hands-down the longest and most rigorous training program I've been through at any job, let alone a serving position. The training was two weeks long, with one full week dedicated to learning the menu when I worked there.

I used to work at the Cheesecake Factory and here's what ...

Next we move up to five different training branches. First, we have the hosts, who must be trained to be well-versed in the restaurant layout, the computer system, and general operations. Server programs make up the second and third branches, and programs for bartenders make up the

fourth and fifth branches. These branches start first with job basics, such as the steps of service servers should follow and how bartenders should count while pouring.
