A Room Away From the Wolves *Algonquin Books*

"Shiver-inducingly delicious."—The New York Times Book Review "[Suma's] narratives are subtle, quicksilver creatures, her language is elegant, and her characters keep more secrets than they reveal. If this book was a dessert, it wouldn't be a chocolate chip cookie or a vanilla birthday cake — it would be an earl grey lavender macaroon, or maybe balsamic fig ice cream." – NPR.com "This beautiful story is full of magical-realism and luscious, lyrical writing." – BuzzFeed "Terrific . . . A gothic love letter to secret places of New York City and the runaway girls who find them."—Kelly Link, author of Pulitzer Prize finalist *Get in Trouble* "Nova Ren Suma surpasses herself with this gorgeously-told, mesmerizing, tense and twisted story."— Laura Ruby, National Book Award Finalist and Printz-Winning author of *Bone Gap* "Nova Ren Suma is a force to be reckoned with. Nobody writes like her."—Courtney Summers, author of *Sadie* "A Room Away From the Wolves is a page-turning thrill. Prepare to be left shivery and spooked and a little bit heartbroken."—Emily X.R. Pan, New York Times bestselling author of *The Astonishing Color of After* "A Room Away from the Wolves is a beautifully tangled chain, a modern gothic haunting by one of our masters."—Elana K. Arnold, author of National Book Award finalist *What Girls Are Made Of* Bina has never forgotten the time she and her mother ran away from home. Her mother promised they would hitchhike to the city to escape Bina's cruel father and start over. But before they could even leave town, Bina had a new stepfather and two new stepsisters, and a humming sense of betrayal pulling apart the bond with her mother—a bond Bina thought was unbreakable. Eight years later, after too many lies and with trouble on her heels, Bina finds herself on the side of the road again, the city of her dreams calling for her. She has an old suitcase, a fresh black eye, and a room waiting for her at Catherine House, a young women's residence in Greenwich Village with a tragic history, a vow of confidentiality, and dark, magical secrets. There, Bina is drawn to her enigmatic downstairs neighbor Monet, a girl who is equal parts intriguing and dangerous. As Bina's lease begins to run out, and nightmare and memory get tangled, she will be forced to face the terrible truth of why she's come to Catherine House and what it will cost for her to leave . . . In *A Room Away from the Wolves*, critically acclaimed and New York Times bestselling author Nova Ren Suma weaves a spellbinding ghost story about who deserves a second chance, how we lie to those around us and ourselves, and what lengths girls will go to in order to save each other.

The Wolf of Wall Street *Bantam*

NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Martin Scorsese and starring Leonardo DiCaprio By day he made thousands of dollars a minute. By night he spent it as fast as he could. From the binge that sank a 170-foot motor yacht and ran up a \$700,000 hotel tab, to the wife and kids waiting at home and the fast-talking, hard-partying young stockbrokers who called him king, here, in Jordan Belfort's own

words, is the story of the ill-fated genius they called the Wolf of Wall Street. In the 1990s, Belfort became one of the most infamous kingpins in American finance: a brilliant, conniving stock-chopper who led his merry mob on a wild ride out of Wall Street and into a massive office on Long Island. It's an extraordinary story of greed, power, and excess that no one could invent: the tale of an ordinary guy who went from hustling Italian ices to making hundreds of millions—until it all came crashing down. Praise for *The Wolf of Wall Street* "Raw and frequently hilarious."—The New York Times "A rollicking tale of [Jordan Belfort's] rise to riches as head of the infamous boiler room Stratton Oakmont . . . proof that there are indeed second acts in American lives."—Forbes "A cross between Tom Wolfe's *The Bonfire of the Vanities* and Scorsese's *GoodFellas* . . . Belfort has the Midas touch."—The Sunday Times (London) "Entertaining as pulp fiction, real as a federal indictment . . . a hell of a read."—Kirkus Reviews

Bringing Back the Wolves

How a Predator Restored an Ecosystem *Kids Can Press Ltd*

An unintended experiment teaches real-life lessons about life's intricate interconnections. In the 1800s, the American government decided to eliminate threats to livestock near Yellowstone National Park. By 1926, there were no gray wolves left in the park. This set off a cascade of devastating changes to virtually every part of the park's ecosystem, and the once-thriving landscape was soon in distress. Then, in an effort to reverse course, gray wolves were reintroduced in 1995. In time, animal populations start to stabilize, waterways are restored and, miraculously, health returns to the park. This remarkable story of transformation is sure to captivate, and to inspire respect for nature's surprisingly complex balancing act.

Promise of the Wolves

A Novel *Simon and Schuster*

The first in *The Wolf Chronicles* trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, *Promise of the Wolves* is a historical adventure story in the tradition of *Clan of the Cave Bear* and *Watership Down*. Set 14,000 years ago in what is now Southern Europe, *Promise of the Wolves* is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from

losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind.

Silver Wolf/Night Wolf *Ballantine Books*

Silver Wolf In this new historical romantic fantasy of stunning originality and scope, Alice Borchardt breathes life into a bygone age, brilliantly recreating a sensuous, violent world—and the men and women whose grand ambitions, betrayals, and passions shape the era in which they live and die. Decadent Rome at the dawn of the Dark Ages is mired in crumbling grandeur. Now, into the Eternal City comes Regeane, a beautiful young woman distantly related, through her dead mother, to Charlemagne. Regeane's regal blood renders her an unwilling pawn in the struggle for political power. But unknown to those plotting against her, the blood she has inherited from her murdered father makes her much more than a child of royalty. Possessed of preternatural agility and strength, primal memories extending back thousands of years, and senses so keen they can pierce the veil of death itself, Regeane is a shapeshifter: woman and wolf, hunter and hunted. Betrothed by Charlemagne's command to a barbarian lord she has never seen, Regeane is surrounded by enemies. The most notorious, her depraved uncle and guardian, will not scruple to betray her to the Church unless she aids him in his sinister schemes. And if the Church discovers her secret, Regeane will burn at the stake. Yet Regeane finds allies as well: Lucilla, rumored to be the private courtesan of Pope Hadrian himself; Antonius, a wise and gentle soul trapped within a body grotesquely disfigured by disease; and the little Saxon girl Elfgifa, brave beyond her years, with a tongue as sharp as a blade. Outside the gates of Rome, baying on the moonlit expanses of the Campagna, there is a mysterious dark wolf whose scent makes the animal in Regeane tremble with desire. Now, as an infamous stranger prepares to claim his bride, deadly plots and counter plots tighten like a noose around her neck, Regeane must fight to live with dignity as the proud creature she is: civilized and savage, woman and wolf, partaking of both yet infinitely more than either . . . Lyrical, fast-paced, sensual, and rich with historical detail and deep insights into the heart, *The Silver Wolf* catapults Alice Borchardt squarely into the front rank of contemporary women writers. Her intricate plot and hypnotic voice will cast a spell that few will be able to resist. **Night of the Wolf** The fearsome legions of Julius Caesar have crushed resistance to Roman rule. Watching the tragic aftermath through yellow eyes afire with curiosity and intelligence is Maeniel, a gray wolf . . . and a shapeshifter unaware of his preternatural duality. But a new Maeniel is about to be born from the ruins. The sight of the beautiful Imona fills Maeniel with unfamiliar feelings and desires, triggering his transformation from wolf to man. In her arms he learns what it means to love. It is a knowledge that will change him forever. When Imona vanishes, Maeniel follows her trail—unaware that he is being pursued by a warrior-woman sworn to kill him. But the hunt upon which the two adversaries embark will lead them farther than they can imagine: to the gates of Rome itself—to the gates of their very souls . . .

The Wolves at the Door

The True Story of America's Greatest Female Spy *Diversion Books*

"Judith Pearson does a remarkable job of bringing one of America's greatest spies back to life. I highly recommend this story of derring-do and white knuckles suspense." —Patrick O'Donnell, Combat Historian and Author of *Operatives, Spies, and Saboteurs* The remarkable story of one of WWII's greatest spies. Virginia Hall left her comfortable Baltimore roots in 1931 to follow a dream of becoming a Foreign Service Officer. After watching Hitler roll over Poland and France, she enlisted to work for the British Special Operations Executive (SOE), a secret espionage and sabotage organization. She was soon deployed to occupied France where, if captured, imprisonment and torture at the hands of the Gestapo was all but assured. Against such an ominous backdrop, Hall managed to locate drop zones for money and weapons, helped escaped POWs and downed Allied airmen flee to England, and secured safe houses for agents. And she did it all on one leg: Virginia Hall had lost her left leg before the war in a hunting accident. Soon, wanted posters appeared throughout France, offering a reward for her capture. By winter of 1942, Hall had to flee France via the only route possible: a hike on foot through the frozen Pyrénées Mountains into neutral Spain. Upon her return to England, the American espionage organization, the Office of Special Services, recruited her and sent her back to France disguised as an old peasant woman. While there, she was responsible for killing 150 German soldiers and capturing 500 others. Sabotaging communications and transportation links and directing resistance activities, her work helped change the course of the war. This is the true story of Virginia Hall. enigmatic and baffling case yet: the death of one of Russia's new billionaires, which leads him to Chernobyl and the Zone of Exclusion—closed to the world since 1986's nuclear disaster. It is still aglow with radioactivity, now inhabited only by the militia, shady scavengers, a few reckless scientists, and some elderly peasants who refuse to relocate. Renko's journey to this ghostly netherworld, the crimes he uncovers there, and the secrets they reveal about the New Russia make for an unforgettable adventure.

What really happened on two strange nights at Aurora Hills? Will Amber and Violet and Orianna ever get the justice they deserve—in this life or in another one? PRAISE FOR THE WALLS AROUND US: "A gorgeously written, spellbinding ghost story." —Chicago Tribune "Unputdownable . . . the well-paced plot reveals guilt, innocence, and dark truths that will not stay hidden." —The Boston Globe "Suma excels in creating surreal, unsettling stories with vivid language, and this psychological thriller is no exception. Along the way, Suma also makes a powerful statement about the ease with which guilt can be assumed and innocence awarded, not only in the criminal justice system, but in our hearts—in the stories we tell ourselves. A fabulous, frightening read." —Booklist, starred review "The wholly realistic view of adolescents meeting the criminal justice system is touched at first with the slimmest twist of an otherworldly creepiness, escalating finally to the truly hair-raising and macabre. Or so the priesthood says. Kala has never had any reason to doubt their word - until her father dies in suspicious circumstances that implicate the city's high priest. difficult he makes it. But when she learns the truth of what really clamours behind the wall at the end of the valley, she faces a choice: share what she knows and jeopardise her escape, or abandon him to his fate along with the rest of the city. If she doesn't move fast, then no one will make it out of the valley alive.
