Boys and Girls Together

A Novel *Open Road Media*

An "extraordinary" novel of five friends coming of age in 1960s New York City, from a New York Times–bestselling, Academy Award–winning author (The Plain Dealer). William Goldman, the versatile author who gave us classic thrillers like *Marathon Man*, the immortal comedy of *The Princess Bride*, and the infamous Hollywood tell-all *Adventures in the Screen Trade*, offers a beautiful and sweeping novel inspired by his own coming-of-age, set against the backdrop of the New York theater world. In *Boys and Girls Together*, five friends—each of them young, creative, ambitious, and troubled—make their way to Manhattan in pursuit of their dreams. Aaron, the playwright; Walt, the director; Rudy and Jenny, both actors; and Branch, their producer, all come together to struggle, fight, love, create art, and face the hard truths of life. A popular sensation when it was first published in 1964, *Boys and Girls Together* remains a masterwork of heartbreaking emotional honesty. This ebook features a biography of William Goldman.

Screenwriters on Screen-Writing

The Best in the Business Discuss Their Craft *Hachette Books*

Before any lights, camera, or action, there's the script--arguably the most important single element in filmmaking, and Screenwriters on Screen-Writing introduces the men and women responsible for the screenplays that have produced some of the most successful and acclaimed films in Hollywood history. In each interview, not only do the writers explore the craft and technique of creating a filmic blueprint, but they recount the colorful tales of coming up in the ranks of the movie business and of bringing their stories to the screen, in a way that only natural-born storytellers such as themselves can. These and other screenwriters have garnered the attention of the movie-going population not only with their words, but with headlines announcing the sales of their scripts for hundreds of thousands and sometimes millions of dollars. Anyone interested in writing, making, or learning about movies will enjoy reading this fascinating behind-the-scenes compendium that brings together some of the most prominent and talented screenwriters in modern-day filmmaking. Screenwriters interviewed include: Bruce Joel Rubin (Ghost), Ernest Lehman (North by Northwest, Who's Afraid of Virginia

Written from the perspective of Michael Lent, an in-the-trenches working screenwriter in Hollywood, this is a real-world look into the script-to-screen business as it is practiced today. *Breakfast with Sharks* is filled with useful advice on everything from the ins and outs of moving to Los Angeles to understanding terms like "spec," "option," and "assignment." Here you'll learn what to expect from agents and managers and who does what in the studio hierarchy. And most important, *Breakfast with Sharks* will help you nail your pitch so the studio

exec can't say no. Rounded out with a Q&A section and resource lists of script competitions, film festivals, trade associations, industry publications, and more, *Breakfast with Sharks* is chock-full of "take this and use it right now" information for screenwriters at any stage of their careers.

The Temple of Gold

A Novel *Open Road Media*

The New York Times–bestselling author's phenomenal debut novel about growing up in midwestern, midcentury America. Raymond Euripides Trevitt grows up virtually alone in the small town of Athens, Illinois, until a new boy moves in next door. His name is Zachary Crowe, but he goes by Zock. They're as different as two midwestern boys can be, but their friendship will go on to shape—if not define—both of their lives. In the early days, Ray takes Zock hiking and Zock teaches Ray about poetry. They run away to Chicago, hide out in movie theaters, and watch *Gunga Din* over and over. By high school, it's clear that Ray is no student while Zock is destined for Harvard. Still, they grow up side-by-side, through adolescence, double-dating, and first love. But during a summer visit home, a tragic accident leaves Ray racked with guilt. Alone once again, Ray discovers that in the depths of despair, resilience and hope are waiting to be found. *The Temple of Gold* launched the career of bestselling novelist and Academy Award–winning screenwriter William Goldman, best known for *Marathon Man* and *The Princess Bride*. This ebook features a biography of William Goldman.

Four Screenplays

Studies in the American Screenplay *Delta*

Yes, you can write a great screenplay. Let Syd Field show you how. "I based *Like Water for Chocolate* on what I learned in Syd's books. Before, I always felt structure imprisoned me, but what I learned was structure really freed me to focus on the story."—Laura Esquivel

Technology is transforming the art and craft of screenwriting. How does the writer find new ways to tell a story with pictures, to create a truly outstanding film? Syd Field shows what works, why, and how in four extraordinary films: *Thelma & Louise*, *Terminator 2: Judgement Day*, *The Silence of the Lambs*, and *Dances with Wolves*. Learn how: Callie Khouri, in her first movie script, *Thelma & Louise*, rewrote the rules for good road movies and played against type to create a new American classic. James Cameron, writer/director of *Terminator 2: Judgement Day*, created a sequel integrating spectacular special effects and a story line that transformed the Terminator, the quintessential killing machine, into a sympathetic character. This is how an action film is written. Ted Tally adapted Thomas Harris's chilling 350-page novel, *The Silence of the Lambs*, into a riveting 120-page script—a lesson in the art and craft of adapting novels into film. Michael Blake, author of *Dances with Wolves*, achieved every writer's dream as he translated his novel

into an uncompromising film. Learn how he used transformation as a spiritual dynamic in this work of mythic sweep. Informative and utterly engrossing, *Four Screenplays* belongs in every writer's library, next to Syn Field's highly acclaimed companion volumes, *Screenplay*, *The Screenwriter's Workbook*, and *Selling a Screenplay*. "If I were writing screenplays . . . I would carry Syd Field around in my back pocket wherever I went."—Steven Bochco, writer/producer/director, *L.A. Law*, *Hill Street Blues*

The Right Stuff *Farrar, Straus and Giroux*

From "America's nerviest journalist" (*Newsweek*)--a breath-taking epic, a magnificent adventure story, and an investigation into the true heroism and courage of the first Americans to conquer space. "Tom Wolfe at his very best" (*The New York Times Book Review*) Millions of words have poured forth about man's trip to the moon, but until now few people have had a sense of the most engrossing side of the adventure; namely, what went on in the minds of the astronauts themselves - in space, on the moon, and even during certain odysseys on earth. It is this, the inner life of the astronauts, that Tom Wolfe describes with his almost uncanny empathetic powers, that made *The Right Stuff* a classic.

Screenwriting is Rewriting

The Art and Craft of Professional Revision *Bloomsbury Publishing USA*

"A step-by-step guide that takes the mystery out of rewriting and leads the writer through a series of focused passes which address the core fundamentals of screenwriting resulting in a polished,

professional screenplay"--

Down and Dirty Pictures

Miramax, Sundance, and the Rise of Independent Fil *Simon and Schuster*

In this "dishy...superbly reported" (*Entertainment Weekly*) *New York Times* bestseller, Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood—most notably Sundance founder Robert Redford and Harvey Weinstein, who with his brother, Bob, made Miramax Films an indie powerhouse. As he did in his acclaimed *Easy Riders*, *Raging Bulls*, Peter Biskind "takes on the movie industry of the 1990s and again gets the story" (*The New York Times*). Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein, often described as the last mogul, who created an Oscar factory that became the envy of the studios, while leaving a trail of carnage in his wake. He follows Sundance as it grew from a regional film festival to the premier showcase of independent film, succeeding almost despite the mercurial Redford, whose visionary plans were nearly thwarted by his own quixotic personality. Likewise, the directors who emerged from the independent movement, such as Quentin Tarantino, Steven Soderbergh, and David O. Russell, are now among the best-known directors in Hollywood. Not to mention the actors who emerged with them, like Matt Damon, Ben Affleck, Ethan Hawke, and Uma Thurman. Candid, controversial, and "sensationally entertaining" (*Los Angeles Times*) *Down and Dirty Pictures* is a must-read for anyone interested in the film world.

How to Write a Movie in 21 Days

The Inner Movie Method *HarperCollins*

In this classic bestselling screenwriting guide—now revised and updated—author and film consultant Viki King helps screenwriters go from blank

page to completed manuscript through a series of clever and simple questions, ingenious writing exercises, and easy, effective new skills. Viki King's *Inner Movie Method* is a specific step-by-step process designed to get the story in your heart onto the page. This method doesn't just show how to craft a classic three-act story but also delves into how to clarify the idea you don't quite have yet, how to tell if your idea is really a movie, and how to stop getting ready and start. Once you know what to write, the *Inner Movie Method* will show you how to write it. This ultimate scriptwriting survival guide also addresses common issues such as: how to pay the rent while paying your dues, what to say to your spouse when you can't come to bed, and how to keep going when you think you can't. *How to Write a Movie in 21 Days*, first published in 1987, has been translated in many languages around the world and has become an industry-standard guide for filmmakers both in Hollywood and internationally. For accomplished screenwriters honing their craft, as well as those who have never before brought their ideas to paper, *How to Write a Movie in 21 Days* is an indispensable guide. And Viki King's upbeat, friendly style is like having a first-rate writing partner every step of the way.

Josh Hartnett Definitely Wants to Do This--

True Stories from a Life in the Screen Trade *Fourth Estate*

Whats it like to be an Oscar-winning director up against the machinations of modern-day Hollywood with its stars who want to write their own roles, producers who dont read scripts, highly dubious money men who promise unlimited funds: the mad, the bad and the downright notorious? In this no-holds-barred account Bruce Beresford takes us through the highs and lows of the screen trade from deals at dinner tables to dressing downs in backlots, from far-flung locations, to the centres of power, with a cast of characters that includes Russell Crowe, Cate Blanchett, Jodie Foster, Jeffrey Archer, Morgan Freeman and many others. Delightfully literate and sharply observed, this is a candid look at the world of film-making from one of its most accomplished practitioners.

Writing the Character-Centered Screenplay, Updated and Expanded edition *Univ of California Press*

"We need good screenwriters who understand character." Everywhere Andrew Horton traveled in researching this book—from Hollywood to Hungary—he heard the same refrain. Yet most of the standard how-to books on screenwriting follow the film industry's earlier lead in focusing almost

exclusively on plot and formulaic structures. With this book, Horton, a film scholar and successful screenwriter, provides the definitive work on the character-based screenplay. Exceptionally wide-ranging—covering American, international, mainstream, and "off-Hollywood" films, as well as television—the book offers creative strategies and essential practical information. Horton begins by placing screenwriting in the context of the storytelling tradition, arguing through literary and cultural analysis that all great stories revolve around a strong central character. He then suggests specific techniques and concepts to help any writer—whether new or experienced—build more vivid characters and screenplays. Centering his discussion around four film examples—including *Thelma & Louise* and *The Silence of the Lambs*—and the television series, *Northern Exposure*, he takes the reader step-by-step through the screenwriting process, starting with the development of multi-dimensional characters and continuing through to rewrite. Finally, he includes a wealth of information about contests, fellowships, and film festivals. Espousing a new, character-based approach to screenwriting, this engaging, insightful work will prove an essential guide to all of those involved in the writing and development of film scripts.

The Nation's Favourite

The True Adventures of Radio 1 *Faber & Faber*

In 1993, BBC Radio One gained a new controller. Matthew Bannister said he was going to reinvent the station, the most popular in Europe. But things didn't go exactly to plan. The station lost millions of listeners. Its most famous DJs left, and their replacements proved to be disasters. Radio One's commercial rivals regarded the internal turmoil with glee. For a while a saviour arrived, in the shape of Chris Evans. But his behaviour caused further upheavals, and his eventual departure provoked another mass desertion by listeners. What was to be done? In the middle of this crisis, Radio One bravely (or foolishly) allowed the writer Simon Garfield to observe its workings from the inside. For a year he was allowed unprecedented access to management meetings and to DJs in their studios, to research briefings and playlist conferences. Everyone interviewed spoke in passionate detail about their struggle to make their station credible and successful once more. The result is a touching, exciting and often hilarious portrait of a much loved national institution as it battles back from the brink of calamity.

Marathon Man

A Novel *Open Road Media*

A Nazi conspiracy in the heart of modern-day Manhattan—the blockbuster New York Times bestseller that became the classic film thriller. At Columbia University, Thomas “Babe” Levy, a postgrad history student and aspiring marathon runner, is working to clear his late father's name after the scandal of his suicide, triggered by the McCarthy

hearings and accusations of Communist affiliations. In Paraguay, Dr. Christian Szell, former Nazi dentist and protégé of Josef Mengele, has been in exile for decades. Infamous as the “White Angel of Auschwitz,” he's leaving his South American sanctuary to smuggle a fortune in gems out of New York City. Meanwhile, in London's Kensington Gardens, an international assassin known only as Scylla has completed a hit. A man with too many secrets and twice as many enemies, Scylla has become a target himself, with only one place left to turn. Then, when Babe's revered older brother, Doc, pays him a fateful and unexpected visit, it sets in motion a chain of events plunging Babe into a paranoid nightmare of family betrayal, international conspiracy, and the dark crimes of history. Now, the marathon man is running for his life, and closer to answering a single cryptic and terrifying question: “Is it safe?” William Goldman's *Marathon Man* was adapted by the author for the award-winning 1976 film starring Dustin Hoffman and Laurence Olivier. Upon its publication, the *Washington Post* called it “one of the best novels of the year,” and it remains a powerful, horrifying read. In the words of #1 New York Times–bestselling author Harlan Coben: “I found myself racing through it. You could have put a gun to my head, and I wouldn't have been able to put [Marathon Man] down.” This ebook features a biography of William Goldman.

In the Company of a Poet *Rupa Publications India*

In this richly entertaining book, Gulzar shares his life and passions with inimitable charm and candour. Poet, storyteller, director, scriptwriter and lyricist, Gulzar is a towering figure of

contemporary Indian literature and cinema. Ever since he wrote his first song the unforgettable *Mora gora ang lai le* for Bimal Roys Bandini (1963) he has won countless admirers with his nuanced, sensitive and quietly innovative work. From the endearing *Lakdi ki kaathi*, that a generation grew up singing, to the Oscar-winning *Jai ho* his songs have enthralled millions. His unique and much acclaimed contribution to the world of poetry continues to reflect our changing times, with fresh idiom and delicate turn of phrase. In this book of conversations with Nasreen Munni Kabir, Gulzar speaks with insight, candour and gentle humour about his life and work: his school days in Old Delhi, where he wrote his early poems; working in a garage in Mumbai before entering films; his association with legends such as Bimal Roy, Balraj Sahni, Sahir Ludhianvi, Meena Kumari, Shailendra, S. D. Burman, Hemant Kumar, Hrishikesh Mukherjee, Lata Mangeshkar and R. D. Burman among others; his love of tennis; and his deep connection with his wife, the legendary Raakhee, his daughter Meghna and his grandson Samay.

Singular Sensation

The Triumph of Broadway *Simon and Schuster*

"Fun and gossipy." —The Wall Street Journal * "A masterful history." —Publishers Weekly (starred review) * "Engaging." —Newsweek A "brisk, insightful, and deliciously detailed take" (Kirkus Reviews) on a transformative decade on Broadway, featuring behind-the-scenes accounts of shows such as *Rent*, *Angels in America*, *Chicago*, *The Lion King*, and *The Producers*—shows

that changed the history of the American theater. The 1990s was a decade of profound change on Broadway. At the dawn of the nineties, the British invasion of Broadway was in full swing, as musical spectacles like *Les Misérables*, *Cats*, and *The Phantom of the Opera* dominated the box office. But Andrew Lloyd Webber's *Sunset Boulevard* soon spelled the end of this era and ushered in a new wave of American musicals, beginning with the ascendance of an unlikely show by a struggling writer who reimagined Puccini's opera *La Bohème* as the smash Broadway show *Rent*. American musical comedy made its grand return, culminating in *The Producers*, while plays, always an endangered species on Broadway, staged a powerful comeback with Tony Kushner's *Angels in America*. A different breed of producers rose up to challenge the grip theater owners had long held on Broadway, and corporations began to see how much money could be made from live theater. And just as Broadway had clawed its way back into the mainstream of American popular culture, the September 11 attacks struck fear into the heart of Americans who thought Times Square might be the next target. But Broadway was back in business just two days later, buoyed by talented theater people intent on bringing New Yorkers together and supporting the economics of an injured city. "Told with all the wit and style readers could wish for" (Booklist) Michael Riedel presents the drama behind every mega-hit or shocking flop. From the bitter feuds to the surprising collaborations, all the intrigue of a revolutionary era in the Theater District is packed into *Singular Sensation*. Broadway has triumphs and disasters, but the show always goes on.
