New York Blue Guide

BLUE GUIDE NEW YORK A guide to New York City that works for residents and visitors alike. This new edition of the essential Blue Guide takes you on a meticulous tour of the well-known, lesser-known and almost unknown sights of the city as well as being a discerning guide to where to stay and eat.

New York - Blue Guides

The Blue Guide New York has a ton of information and is very useful to study for the licensing exam. Manhattan is covered extensively from north to south, east to west - and that's great! However, I am extremely disappointed to find that out of 600+ pages, this book only devotes 9 pages to the Bronx. Why do we get no love??

Blue Guide New York is a good starting point, similar to an encyclopedia, for New York City historical research. It contains brief historical overviews of the city's neighborhoods, landmarks, and notable people. It is organized by borough, making it easy to find relevant information. Other resources should be consulted for more in-depth research of specific people, events, and landmarks ...

"Blue Guide New York": Book Review | Researching NYC: Past ...

With fierce wit and astonishing honesty, Blue explores the complexities of identity and trust behind the carefully constructed façade of the Clarks, a socially prominent family that is struggling with the legacy and pitfalls of their own good fortune. Infused with a searing jazz and soul score, Blue celebrates the love and spirit of a family coming to terms with itself.

Blue - New York Theater Guide

It's not a guide to the city as it is now, rather it's a vivid snapshot first taken in the 80s, that extraordinary time of growth and development, brought into sharper focus for the new millennium and since left untouched. This New York can still be visited in films, fiction and art and has left an indelible impression on the

world's consciousness. Let Michael Leapman introduce you to ...

Aquavit - New York - a MICHELIN Guide Restaurant

The New England Bluet is one of 23 species of damselflies in the genus Enallagma found in New York State. This is the largest single dragonfly or damselfly genus in the state. The New England Bluet has also been called the lateral bluet as its' specific name, laterale, refers to the black mark on the side of the 8th abdominal segment.

New England Bluet Guide - New York Natural Heritage Program

The Blue Guide is essential reading for anyone who is serious about learning New York City. Well written and with meticulous research, each neighborhood and district is described, with a brief mentions of historical events important to that neighborhood. It works very well when reading it with Google

Earth, a bit slow going, but every building mentioned can be looked at on Street View.
